How many students will this project impact in one year? _____

Describe the breakdown of the number above *(ie. Grade level, 5 classrooms, all math classes, etc.)*

Pearland ISD Education Foundation
2017 – 2018 Grant Application

Purpose Statement of what grant project will do and accomplish.

Objectives List the goals (i.e., SMART objectives) you intend to accomplish with this project and how you will measure these objectives to determine the impact of the project.

Pearland ISD Education Foundation
2017 – 2018 Grant Application

Project Description Specifically, how will your project improve, advance or enrich student learning? How does this project support the district’s mission and/or your campus plan? Include research as support for why you want to implement this project. Be sure to include strategies to achieve the goals and objectives listed and research to support why you choose to use this plan of action over another.

Project Evaluation Explain how you will measure the success of this project. How do you plan to share the results with your campus, district and Pearland ISD Education Foundation? Please note: if funded, you are required to provide a final report to the foundation.
