Dear First-Class Supporters of Education:

The 2020 Annual Giving Campaign is prepared for take-off! Help ensure the future of innovative education for our students with an annual contribution to the **Pearland ISD Education Foundation**.

Since 2015:

The annual campaign drive and gala fundraiser has raised close to \$600,000. Your tax-deductible donation supports our continued mission to *enrich teaching and inspire learning* in Pearland ISD.

The foundation has funded over 300 classroom projects with close to \$460,000. Your support also helps to fund critical district initiatives and innovative academic programs such as robotics and reading intervention.

To commemorate our fifth anniversary, we invite you to take flight back to the *Fabulous Fifties* and the swinging era of music, fashion, and dance.

Come Fly Away will be held on Saturday, March 21 at six o'clock at the Lone Star Flight Museum (11551 Aerospace Avenue, Houston 77034). The annual gala features 3-course dinner, live music, cocktails, live and silent auctions ... and more!

Come fly away with our mission in the following ways:

- o **Join the 2020 Annual Giving Partner Campaign**
- o **Attend our Fifth Annual Evening for Education Gala**
- o **Become a Gala Sponsor**
- o **Donate an auction item**

Simply complete and submit the Annual Giving Form to show your support for our organization and secure your seat to our high-flying soiree. You may also complete online at pearlandisd.org/annualgala.
