To our brightest supporters of innovative education in Pearland ISD:

Like you, Pearland ISD Education Foundation believes that the education we want for our children depends on bold ideas and brilliant solutions. The funding challenges schools face today are complex, but the potential to come together and raise funds for our classrooms and teachers has never been more vivid.

We are glowing with excitement to kick-off the **2019 Annual Giving Campaign**, which will culminate with our annual gala. Your tax-deductible support will help to move our charitable mission forward at the speed of light.

Illuminate: A Radiant Night for Education, our fourth annual gala, will be held on **Saturday, March 2 at six o'clock** at **The Citadel** (12130 Kirby Drive).

You are invited to ignite the future of education in the following ways:

- o Join the 2019 Annual Giving Partner Campaign
- o Attend our fourth annual Evening for Education Gala
- o Become a Gala Sponsor
- o Donate an auction item

Simply complete and submit the enclosed donation form to illuminate your support for our organization and reserve your place at our dazzling soiree. You may also visit www.pearlandisd.org/annualgala.
