Our Classroom Song: Bucket Rock!

U can get with this
Or you can get with that
U can get with this
Or you can get with that
U can get with this
Or you can get with that
I think I'll get with this cuz this is where its at
Bucket, bucket, I got mine
On the SAM JAM happy line
If your bucket empties out
Fill it up, fill it up, fill it up
What!

Bucket fillers in the house alright!
Everybody just have a good time
And we're gonna make you smile today
SAM JAM students gonna Ace the STAAR

Bucket fillers in the house alright!
Everybody just have a good time
And we're gonna make you smile today
We just wanna see ya.....ACE THAT!

Everyday we're studying, studying, studying X 3
