

# Third Grade Dolphin Diary

Shoot for the moon. If you miss, at least you will be among the stars!

February 21-25

Please make sure that your child is reading daily and completing homework.

### Sparkler of the week:

#### Math activities-

Have your child add up the number of minutes he watches television each day. Change the minutes into hours. Create a list of the total minutes for all week. How many hours does that make?

\* Fill a money bag with coins and ask your child to count and find out how much is in the bag. If they guess right they keep the money!

If you have any questions or concerns, please contact us @ 281-412-1445.

## Goals for the Week
