

First Grade Peek of the Week

Jan. 24^h-28th

We will be studying:

Reading: Guided reading groups.
We are continuing to work on strategies to become better readers.

Word Wall: only, their, use, blue, open

Phonics: long o and long u:
home, close, cube, mule, flute

Math: graphing

Science: Natural Sources of Water

Social Studies: Review
Martin Luther King Jr.

Math Tip:

Last week, we learned how to determine the value of a group of dimes, nickels, and pennies (100 cents or less). For students to count money, they must also be able to easily count by 5's and 10's. Have your child practice counting by 5's and 10's. Then give them a group of coins and see if they can determine the value. This is a good way to keep them busy during this cold, rainy weather!

90's Day

Monday, January 24, is the 90th day of school. Students are invited to dress like the 90's!

Reminders

“World’s Finest Chocolate” fundraiser begins on January 27th! If your child has turned in the permission slip, their box of chocolate will be sent home on this day. The fundraiser runs through February 11th.
