

EAGLE EXPRESS

CHALLENGER
ELEMENTARY

September 5, 2021

DEVICE DISTRIBUTION

The next round of devices are set to go out next week. There are 42 students that are not signed up to get a district device. If you change your mind, please call the front office.

COVID UPDATES

We are shutting off water fountains, so please ensure your child comes to school with a labeled water bottle each day. Per the district, COVID-19 Notification letters are now **only** being sent to the classrooms with the positive individual. If your child is a close contact to that positive individual you will receive a personal phone call before the letter gets emailed out. To keep track of the **total** number of positive cases for our school, please refer to the COVID Dashboard on the district webpage.

HUGE thank you to the parents that are sending their child in a mask!
