

AP Students and Parents,

College Board has found that students who commit early to taking their AP exams have an increase of scoring a 3 or higher. Due to this, College Board implemented earlier deadlines for AP exams to be ordered. As a result, we have updated the timelines in which the campus must order AP exams. The cost of each AP exam is \$94 unless the district approves a subsidy to offset the cost of the exam.* More information concerning any subsidies approved by the district will be released at a later date. If a student qualifies for free and reduced lunch, please speak with your campus AP Coordinator concerning the reduced cost of the AP exam.

Fall Semester and Year-Long Course Timeline:

Wednesday, September 4th: Students enrolled in AP Fall one semester and year-long courses will be registered for their AP exam(s).**
