

The goal of the Explorer Club is to extend the classroom beyond our nation’s borders. It is the goal that through international travel, students immerse themselves into learning about international laws, customs, and cultures. Students will see history and classroom learning come to life. To meet the aims and goals of the Explorer Club it is required that students participate in 2 of the following instructional programs at Robert Turner College and Career High School.

- AP World History
- AP English (4) Literature
- ACC ARTS 1303
- Global Business
- At least three years of Spanish language instruction

By signing the oath below it does not ensure you will be enrolled in the classes because sometime scheduling conflicts occur. However, it does ensure that you are committed to the total program that is the Pearland ISD Explorer Club.

I _____ understand that by signing up for international travel with the Explorer Club that I will request, am currently enrolled in, or have already taken two of the instructional programs listed above.
