

# ART MENU

**Directions:** Choose one or more of the following options to stay creative while you are at home! **\*\*PLEASE REMEMBER TO STAY SAFE AND HEALTHY DURING THE CLOSURE!!!\*\***

Try to use the elements and principles of art in your work. You can review the elements and principles at <https://lundgrenart.weebly.com/elements-and-principles-of-design2.html>

**Option 1:** Create a sculpture using recycled materials and/or found objects.

**Option 2:** Set up a still life using objects in your house and draw or paint from observation.

**Option 3:** Design your own board game. Think about the board, game pieces, and any other items, such as cards, that would be used to play.

**Option 4:** Think about how different colors make you feel. Create a piece of art that uses color to express an emotion.

**Option 5:** Try making a digital drawing on Pixilart <https://www.pixilart.com/draw>

**Option 6:** Use your phone or camera to take a series of photos that tell a story.

**Option 7:** Create a comic strip using your own original characters.

**Option 8:** Many artists link music and art, such as Wassily Kandinsky and Romare Bearden. Listen to music and make a painting or drawing inspired by the music.

**Option 9:** Create a variety of digital art using the National Gallery of Art website <https://www.nga.gov/education/kids.html>

**Option 10:** Challenge yourself by using a limited color palette. Create a drawing or painting that uses only three colors.

**Option 11:** Create a monochromatic drawing or painting. Remember that monochromatic means that you are only using one color and its values (ex. Blue, light blue, and dark blue)

**Option 12:** Make a piece of artwork (2D or 3D) that focuses on texture.

**Option 13:** Try to do all of the challenges in the creative calendar!

# CREATIVE CALENDAR

<b>Make a drawing that focuses on movement</b>	Draw something with an interesting texture	<b>Create a drawing that uses form (3D shapes)</b>	Take a selfie and try adjusting the contrast or colors	Draw your favorite animal
Design a new cover for your favorite book	Time yourself, and do a drawing in 1 minute, 3 minutes, and 5 minutes	<b>Draw something that is important to you</b>	<b>Draw your best friend</b>	<b>Create a drawing using only straight lines</b>
Design a car, airplane, or spacecraft	<i>Design a fantasy house</i>	CREATE A COLLAGE USING MAGAZINE PICTURES	<i>Imagine you could go back in time. Draw who you would meet.</i>	Look at your foot or your hand and draw it
Draw a person in an interesting pose	Draw your favorite outfit, shoes, or accessory	Challenge yourself: draw something you have never drawn before	DRAW SOMETHING USING ONLY CIRCLES	Draw what you see out of your window
Design a poster for a cause that is important to you	Make a drawing that uses 3 elements of art	Make a drawing that uses 3 principles of art	Draw what you think you will look like in 30 years	Draw yourself in your dream job

Remember: Do your best, be creative, and use whatever supplies you have! Make sure to add color, value, texture, etc. to your mini masterpieces!
