DISMISSAL AND STUDENT SAFETY

Thank you for your cooperation to ensure the safety of our Silvercrest Stallions.

If you meet your child in person, please wait by the first tree that is near the long walkway of the school located across from the golf course. If a student is designated as a walker, they will be escorted close to this location. Students who are designated as walkers or bikers will only be escorted close to the tree. Please **do not** meet your child in the foyer of the school or under the covered area reserved for car riders as it interferes with our staff safely escorting students during dismissal.

Parents who pick up their children should come through the driveway following the flow of traffic. Please place a sign with your child's name and grade level on the dashboard of your vehicle. We sure do appreciate the easy to read signs! If your child is a car rider, please stay in your car at all times. When exiting the parking lot, please turn **RIGHT** only.

If you assign your child as a car rider, please be patient the first few weeks. The traffic is heavier than normal. We ask that parents do not walk up to pick up their children that are assigned as car riders.
