

Welcome to Team Dominoes

Dear Parents/Guardians,

Welcome! We hope that this letter finds you and your family safe and healthy. The mental and physical well-being of all our students is of utmost concern to the staff at Sam Jamison Middle School. We look forward to a year filled with learning and growth.

Sam Jamison's theme this year is, "Work Hard, Play Hard" as we are a school that demonstrates GRIT and has a fun time doing it! Our team theme this year is modeled after the game of Dominoes. Team Dominoes wants all our students to remember that a positive attitude causes a domino effect of positive thoughts, events and outcomes. We strive to promote school spirit and motivate students by incorporating our theme in as many ways as possible.

As a virtual or face to face learner, we offer grace and ask for grace as we navigate through some new modes of learning. You can expect that all announcements, graded work and weekly conduct will be communicated electronically. For this reason, it is pertinent that parents keep their Skyward contact information up to date and inform the school of any changes.

Canvas is the online platform in which your student will receive assignments. Canvas is linked to Skyward to show student's grades for each class. Skyward will soon be accessible to parents. Students will have the opportunity to complete corrections and missing/late work as a part of their Canvas assignments.

Our teachers are available for scheduled virtual conferences through Zoom. To make an appointment, please email or call 281-412-1440. Your teacher will get back with you within 24 hours to schedule a meeting. Below you will find links to our individual teacher webpages, as well as our email addresses.

We want to provide your child with a positive and safe educational environment. Together we can make this year a success.

Sincerely,

Ms. Brenda Burrow
