

Text Feature Sort/ Memory

Use the cards below to either sort the word, definition and picture by what go together or turn all cards upside down to play memory with the cards. Each complete set will have the text feature, a definition of the text feature and a picture example of the text feature (see the last three pages for the correct answers).

<p>An image that is drawn.</p>	<p>Glossary</p>	 <p>Some bears eat fish.</p>
<p><i>Italics</i></p>	<p>Indicate important words by being slanted.</p>	
<p>Shows important events in the order that they occurred.</p>	<p>Bold Words</p>	
<p>Illustration</p>	<p>An image that shows parts of something.</p>	<p>Chapter 1.....Page 2 Chapter 2..... Page 6 Chapter 3..... Page 9 Chapter 4.....Page 11</p>

<p>Names the parts of an image.</p>	<p>Diagram</p>	<p>Grizzly bears can run up to <i>40 miles per hour</i> and can weigh between <i>900-1500 pounds</i>.</p>
<p>Table</p>	<p>Words below or next to an image that explain it.</p>	<p>Bear are considered a mammal.</p>
<p>Caption</p>	<p>Tells the meaning of words found in the book.</p>	
<p>Represents data in rows and columns</p>	<p>Index</p>	
<p>Labels</p>	<p>Helps the reader find a specific topic in a book</p>	

Timeline

Indicate important words often found in the glossary by making them darker..

Cub—a baby bear
Mammal- a warm blooded animal that has hair

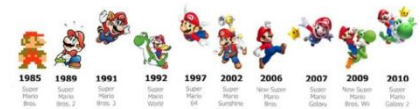

Shows location.

Photograph

Brown Bears....5-8
Cubs.... 2, 6
Grizzly Bears.....9-10
Life Span.... 3
Mammal..... 2

Represents data through bars, lines and slices.

Graph.

Map

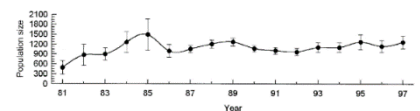

An image taken with a camera.

Table 5: Density Gummy Bear Data

Day	Start Time	Stop Time	Bear Color	Head to Toe Length (cm)	Arm to Arm Width (cm)	Front to Back Thickness (cm)	Volume (cm ³)	Mass (g)	Density (g/cm ³)
Day 1	1700	n/a	orange	2.3cm	0.8cm	1.3cm	1.794cm ³	2.1g	1.17g/cm ³
Day 2	n/a	1700	Tan	2.8cm	.9cm	1.2cm	3.024cm ³	3.0	0.99g/cm ³
Difference (Day 2 - Day 1)	n/a	n/a	Much paler in color	0.5cm	0.1cm	0.1cm	1.23cm ³	0.9g	0.18g/cm ³

Table of Contents

A list of chapters found in the book

Below the cards have been put in order to help you check your work.

Caption	Words below or next to an image that explain it.	 Some bears eat fish.
Photograph	An image taken with a camera.	
Illustration	An image that is drawn.	
Table of Contents	A list of chapters found in the book	Chapter 1.....Page 2 Chapter 2..... Page 6 Chapter 3..... Page 9 Chapter 4.....Page 11

Glossary

Tells the meaning of words found in the book.

Cub—a baby bear
Mammal- a warm blooded animal that has hair

Index

Helps the reader find a specific topic in a book.

Brown Bears....5-8
Cubs.... 2, 6
Grizzly Bears.....9-10
Life Span.... 3
Mammal..... 2

Timeline

Shows important events in the order that they occurred.

Table

Represents data in rows and columns.

Table 5: Density Gummy Bear Data

Day	Start Time	Stop Time	Bear Color	Head to Toe Length (cm)	Arm to Arm Width (cm)	Front to Back Thickness (cm)	Volume (cm ³)	Mass (g)	Density (g/cm ³)
Day 1	1700	n/a	orange	2.3cm	0.8cm	1.3cm	1.794cm ³	2.1g	1.17g/cm ³
