## FOREWORD

The purpose of any school is to enhance the growth and development of students and provide skills, knowledge and experiences that will equip them to operate successfully in society. This purpose is nurtured best where students, parents and staff understand the purpose and structure of the school, and where the day-to-day operation of the school is smooth and efficient. This handbook has been compiled to outline the policies and procedures used to foster the smooth and efficient operation of the junior high schools in the Pearland Independent School District.

Certain policies and procedures are unique to each campus. Every effort has been made to clarify normal operating procedures; however it is impossible to foresee every circumstance. The building principal on each campus shall make any and all other rules and regulations necessary to maintain an effective and safe academic climate.

To assure that you received this handbook and supplement, ***you and your parent will be required*** to sign and return to school the ***Parent/Student Handbook Acknowledgement Page***.

75 - 79	Average Progress
70 - 74	Poor Progress
50 - 69	Failure

2. Actual semester exam grades will be posted on the student's report card.
3. No grade lower than a fifty (50) shall be posted as the semester grade which goes on the permanent cumulative record.

### Grades- Conduct

These marks should be taken seriously as they can affect participation in school activities (i.e. school representation, choir, band, athletics, and cheerleading).

**(E) Excellent.** The student has an exceptional attitude, consistently cooperates, shows respect for self and others, and observes school rules and regulations.

**(S) Satisfactory.** The student has a good attitude, cooperates, and generally observes school rules and regulations.

**(N) Needs to improve.** The student's attitude needs to improve and there have been infractions of school rules.

**(U) Unsatisfactory.** The student's attitude is poor and uncooperative. The student disrupts class and shows little respect for school rules and regulations.

# **GRADES – LATE WORK**

## **Homework**

Keeping up with assignments and completion of homework is a major responsibility of all students. Students who do not keep up with all assignments and who do not complete all work by the date set by the teacher are endangering their chances of passing. It is the student's responsibility to check Canvas for assignment due dates. Any assignments not completed will result in the student attending ZAP during their lunchtime.

## **Late/Missing Work Policy (ALL CLASSES)**

Assignments that are not completed and turned in on time will result in the student reporting to ZAP for completion during their lunchtime. Students in ZAP have a choice to bring their lunch or purchase a sack lunch. Outside food delivered (other than a sack lunch) is not allowed. After a student is zapped three times for the same assignment they will be required to attend after school detention. Students who have several missing assignments may be assigned ISS by their Assistant Principal until the work is completed. Students will have one opportunity to complete the assignment at home and turn it in by 8:35 to avoid attending ZAP. However, they are still subject to points taken off the assignment.

1. 1 day late – 11 points off
2. 2 days late – 20 points off
3. 3 days late – 30 points off

## **Failing Grades**

A student receiving a failing grade on a classroom assignment or a test with scores of 69 or below may make corrections to earn a grade of up to 70. If the student fails to achieve the maximum grade of 70 on the redo of the assignment/test, the higher of the two grades is recorded. The student must request from his/her teacher the opportunity to make the corrections or schedule the retake of the test.

## **Projects**

Any student that fails to turn in a project on time will be assigned 1 full day of ISS. Additional ISS days will be assigned until the project is completed.

## **Make-up Work**

Students who miss work in class, due to an absence, are permitted to make up the work. Prior to the absence or immediately upon returning to class, it is the student's responsibility to make arrangements with the teachers for make-up work. All assignments, test(s), homework, etc. should be made up upon returning to school. Zeroes will be recorded for work not made up within the time limit. Tests should be made up before or after school.

## **Advanced Classes**

In order for a student to stay in an advanced class, they are required to keep an average of 75% or higher. Students who have below a 75% at the six weeks point will receive warning/notification indicating that they are at risk of being moved out of the class. These students have until the end of the nine weeks grading period to get their average up to 80%. Students who do not meet this requirement will be moved from the advanced class.

## **GRADES-CHEATING/PLAGIARISM**

Students engaging in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the student code of conduct. Academic dishonesty includes:

- Cheating or copying the work of another student
- Plagiarism
- Unauthorized communication between students during an examination

Behaviors defined as “cheating” include:

- Giving or receiving information, looking on someone else’s work, or allowing someone else to see one’s work during an exam, test, or quiz.
- Unauthorized receipt or distribution of exam, test, or quiz contents, materials, or answer key.
- Use of unauthorized resources such as notes during an exam.
- Taking an exam, producing a project, paper, or assignment for another student, or asking another student to take an exam or produce a project, paper, or assignment for an individual.
- Copying work assigned to be done independently or letting others copy one’s work.
- Any communication both verbal and nonverbal with others during a test. Communication of any type will result in a consequence.

The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional taking into consideration written materials, observation, or information from students. Consequences for cheating and plagiarism are serious. Both acts are considered stealing and will not be tolerated.

#### Homework (copying or lending)

- 1st Infraction: 1/2 credit on re-do, Teacher Detention, Parent notified by Teacher
- Repeat infraction: a zero will be recorded for the assignment, Office Referral, AP notifies parent
- Consequences will increase with each additional incident.

#### Test, Major Projects (copying or lending)

- 1st Infraction: 1/2 credit on re-do, 2 hr. After School Detention, Teacher and AP notifies parent
- Repeat Infraction: a zero will be recorded for the assignment, 1 day ISS assignment, AP notifies parent

#### **Grade Reassessment**

A student receiving a failing grade on a classroom assignment or a test with scores of 69 or below, has one opportunity to make corrections to earn a grade up to a 70. The student must request from his/her teacher the opportunity to make corrections or schedule the retake of the test. The student has up to 3 days from the time the assignment is handed back to him/her to make corrections or retake the test. This guideline does not include projects, final or semester exams, or district benchmarks.

#### **Grade Requirements: Extra-Curricular Activities**

Participation in school-related activities is an excellent way for a student to develop talents, receive individual recognition and build strong friendships with other students; participation, however, is a privilege, not a right.

Eligibility for initial and continuing participation in many of these activities is governed by state law and the rules of the University Interscholastic League (UIL)—a statewide association overseeing inter-district competition. If a student is involved in an academic, athletic or music activity governed by UIL, the student and parent are expected to know and follow all rules of the UIL organization. [See <http://www.uil.utexas.edu> for additional information.]

The following requirements apply to all extracurricular activities:

- A student who receives at the end of a grading period a grade below 70 in any academic class—other than an Advanced Placement or International Baccalaureate course; or an

honors or dual credit course in English language arts, mathematics, science, social studies, economics or a language other than English—may **not participate in or attend** extracurricular activities for at least three (3) school weeks.

- A student with disabilities who fails to meet the standards in the individualized education program (IEP) may not participate for at least three (3) school weeks.
- An ineligible student may practice or rehearse.
- An absence for participation in an activity that has not been approved will receive an unexcused absence.
- *FFA competitions are considered approved activities by the Board if a certified teacher of the district or the county extension agent is present at the event. In this case, the student is considered as being in attendance. (See FEB)*
- The district shall make no distinction between absences for other extracurricular activities approved by the Board. A student shall be allowed a maximum of 17 extracurricular absences. All extracurricular activities and public performances, whether UIL activities or other activities approved by the board, are subject to these restrictions.
- Any student suspended from school or placed in in-school suspension (ISS) for disciplinary reasons will not be allowed to practice with or participate in any school activity nor will they be allowed in any after school function during days of suspension /ISS.
- High School cheerleading requirements – an 8<sup>th</sup> grade student who has been suspended or had a home or ALA assignment will not be able to try out for high school cheerleader. If a student has been assigned ISS for more than three (3) days, he/she will not be eligible (including tardies and dress code violations).

### **Grade Types**

**Daily Grades** include classroom activities, homework, quizzes, in-class writing samples, or other in-class activities. Daily grades can be divided into different sub-categories, such as participatory daily grades (in-class activities, homework, etc.) and independent daily grades (quizzes, etc.).

**Major Grades** include long-term projects, in-class assessments, and tests.

Grades should be weighted according to a system established by grade level bands. Different weights could be assigned to daily/major grades depending on the grade level or subject area, but should be consistent. Additionally, types of grades within each category could be assigned different weights, but that differentiation should be consistent within a campus or within a department on that campus.

#### **Grading Period Averages will be weighted accordingly:**

Daily Grades/Homework/Quizzes	40%
Tests/Major Grades	60%

Non-numeric grades for areas such as Conduct and Work Habits are permissible if the campus administration chooses to provide those in order to help parents understand how their child is progressing within a grade level. SB 2033 requires a student's grade to reflect their relative mastery of the TEKS for that grade level. However, campus administration could choose to use a work habits grade to reinforce appropriate academic-related behaviors (e.g., late work penalties).

### **Minimum Number of Grades**

Teachers are encouraged to provide a sufficient number of grades to allow multiple opportunities for students to demonstrate mastery of the TEKS.

- Teachers are required to record a minimum of two (2) daily grades weekly and one (1) major grade every two (2) weeks of the grading period.
- No single assignment should count for more than 20% of a student's grade.

### **P.E./Health Fitness Exemptions**

A student suffering from illness or injury should not participate in strenuous physical activity. A note from the parent to the PE/Health Fitness teacher stating the nature of the student's illness or injury will obtain a one day exemption from strenuous physical activity. If the exemption must exceed one day, a doctor's written explanation is necessary. All students, including those with exemptions, must dress out every day.

### **Performance Review**

A regular review will be conducted for any student in Pre-AP classes whose semester average is below 80. Also, a student may be exited from a Pre-AP class if his/her first nine weeks average is below 80. Continuance in the class will be based on consideration of correct placement and/or other relevant data. The principal and/or principal designee will consider data from involved parties, i.e., parent(s), student, teacher, and counselor, in making a decision concerning the student's appropriate level placement.

### **Pearland I.S.D. Promotion Statement**

Promotion to the next grade level shall be based on an average of 70 on a scale of 100 based upon course-level, grade-level standards (TEKS) for the following subject areas: Math, English, Reading, Science, and Social studies. In addition, students must have a grade of 70 or above in each of the following areas to be promoted to the next grade level:

1. Mathematics
2. English
3. Reading

### **Progress Reports**

Every three weeks of each nine week grading period, progress reports are sent home. Students and parents will receive report cards through Skyward online. If parents would like to request a paper copy of their student's report card please contact our Registrar.

#### Progress Report Dates:

September 12 <sup>th</sup>	October 3 <sup>rd</sup>
November 14 <sup>th</sup>	December 12 <sup>th</sup>
January 30 <sup>th</sup>	February 20 <sup>th</sup>
April 10 <sup>th</sup>	May 1 <sup>st</sup>

### **Report Cards**

Reporting grades each nine weeks is a method to communicate student mastery of course content. Report cards include academic and conduct evaluations.

1. Report cards are issued at the end of each nine weeks. Students and parents will receive report cards through Skyward online. If parents would like to request a paper copy of their student's report card please contact our Registrar. Parents are reminded to check absences on each report card.

#### Report Card Dates:

October 24 <sup>th</sup> – 1 <sup>st</sup> Nine Weeks
January 9 <sup>th</sup> – 2 <sup>nd</sup> Nine Weeks
March 20 <sup>th</sup> – 3 <sup>rd</sup> Nine Weeks
June 7 <sup>th</sup> – 4 <sup>th</sup> Nine Weeks – will be mailed

2. Cumulative semester grades are reported at the end of each semester.
3. Incomplete grades are shown as an "I". This work must be completed during the two weeks following the reporting period or it becomes an "F". It is the responsibility of the student to see that all work is made up.
4. Comprehensive final exams will be required at the end of each semester.
5. Semester averages will be determined as follows:
 

First grading period	42.75%
Second grading period	42.75%
<i>Semester Exam</i>	14.5%

Third grading period	42.75%
Fourth grading period	42.75%
<i>Final Exam</i>	14.5%

**Right of Waiver**

The Principal, after review of relevant data, has the prerogative to waive guidelines to assure each student's opportunity for success.

**Schedule Changes**

Student-parent course selections determine the overall academic program. The building principal requests the number and kinds of teachers for the following year based on course selections by May 1<sup>st</sup>. After that date, the only courses students may drop or add are those necessary to work out errors or conflicts. Schedule changes are made by the counselor with the approval of the principal for the purposes of correcting errors in schedules, leveling classes (removing students from overloaded classes and adding them to small classes) and making adjustments to eliminate conflicts.

**Semester Exams**

Examinations covering a semester of school work will be given twice a year. For a student to receive credit for a semester's work, he/she must take the semester exam in that course. A semester exam will not be given early. *Permission to take an exam late due to exceptional circumstances should be secured from the building principal by requesting such permission in writing in advance of the test.*

**Benchmark & State Exams**

Benchmark and state exams may be given in every subject throughout the school year.

**Standardized Tests**

Standardized tests are administered by or under the direction of the Principal and Assistant Principals to aid in placement of students and to help students gain insights regarding their abilities and potential. The following tests are administered during junior high school:

- Grade 7 - STAAR (Math, Reading, Writing)
- Grade 8 - STAAR (Math, Reading, Science, Social Studies)

**Academic Review**

Academic Review on a regular, systematic basis to monitor student performance will be done by the school counselor. This process will also involve the teacher(s), principal and/or principal designee.

**Tutorials**

The school provides tutorial services for students who may need additional help beyond the class period. Tutorials are offered in each subject area. Teachers will post in their classroom and on their website days and times for additional help. Students are encouraged to attend tutorials on a regular basis. Morning tutoring begins at 8:00 a.m. All teachers will offer at least three tutoring times.

## **TEXAS EDUCATION CODE Chapter 25: Compulsory School Attendance Law**

### **TEXAS COMPULSORY SCHOOL ATTENDANCE LAW STATES:**

A child who is required to attend school shall attend school each school day for the entire period the program of instruction is provided.

A child who is at least six years of age, or who is younger than six years of age and has previously been enrolled in first grade, and who has not yet reached the child's 18<sup>th</sup> birthday shall attend school. On enrollment in pre-kindergarten or kindergarten, a child shall attend school.

A student who voluntarily attends or enrolls after his or her 18<sup>th</sup> birthday is required to attend each school day. Policy FEA (LOCAL) requires a person over 18 years old and who is under 21 years of age to attend school until the end of the school year.

A student enrolled in a school district must attend:

1. an extended-year program (summer school) for students identified as likely not to be promoted to the next grade level or tutorial classes required by the district;
2. an assigned accelerated reading instruction program for kindergarten, first grade and second grade students;
3. an assigned accelerated instruction program designed for satisfactory performance on the state assessment instrument;
4. an assigned basic skills program designed for ninth grade students;
5. an assigned summer program provided at DAEP (Disciplinary Alternative Education Program).

A child is **exempt** from the requirements of compulsory school attendance if the child:

1. attends a private or parochial school (includes home schooling);
2. is eligible to participate in a school district's special education program and cannot be appropriately served by the resident district;
3. has a physical or mental condition of a temporary and remediable nature that makes the child's attendance infeasible and holds a certificate from a qualified physician;
4. is expelled;
5. is at least 17 years of age and:
  - a. is attending a course of instruction to prepare for the high school equivalency examination, and:
    - i. has the permission of the child's parent or guardian to attend the course;
    - ii. is required by court order to attend the course;
    - iii. has established a residence separate and apart from the child's parent, guardian, or other person having lawful control of the child;
    - iv. is homeless; or
    - v. has received a high school diploma or high school equivalency certificate;
6. is at least 16 years of age and is attending a course of instruction to prepare for the high school equivalency examination, if recommended to take the course of instruction by a public agency that has supervision or custody of the child under a court order; or the child is enrolled in a Job Corps training program or is enrolled in a high school diploma program under Chapter 18.

A school district shall count a student **present** for the following purposes, including travel for those purposes:

1. Observing religious holy days;

2. Attending a required court appearance if the student commences classes or returns to school on the same day of the appointment;
3. A temporary absence resulting from health care professionals if that student commences classes or returns to school on the same day of the appointment;
4. Attending a citizenship ceremony;
5. Qualifies as an election worker; or
6. A student in grades six through twelve for the purposes of sounding "Taps" at a military honors funeral held in this state for a deceased veteran.

School employees must investigate and report violations of the state compulsory attendance law. A student with excessive absences will be considered in violation of the compulsory attendance law and subject to disciplinary action unless otherwise excused or exempted.

A court of law may also impose penalties against the student's parents. A complaint may be filed in court if the student:

- Is absent from school on ten or more days or parts of days within a six month period in the same school year without excuse, or
- Is absent on three or more days or parts of days within a four-week period without excuse.

The court may order the defendant to attend a program for parents of students with unexcused absences that provides instruction designed to assist those parents in identifying problems that contribute to the students' unexcused absences and in developing strategies for resolving those problems if a program is available.

The parent with criminal negligence fails to require the child to attend school as required by law; commits an offense of "Parent Contributing to Non Attendance." Policy FEA (LEGAL) An individual commits an offense of "Failure To Attend School" if the individual is required to attend school and fails to attend school. If the student is over the age 17, the student's parents shall not be subject to penalties as a result of their child's violation of state compulsory attendance law. Attendance is taken at 10:00 a.m. If the student has an appointment, please try to schedule it at a time other than the 10:00 attendance time to avoid loss of valuable instructional time.

The only excusable reasons for a child to miss school are personal illness of the student, communicable disease control, or death in the immediate family. A student is also excused for a temporary absence resulting from a visitation to a health care professional if the student commences classes or returns to school on the day of the appointment. A note from the health care professional verifying the appointment will need to be turned in upon arrival in order for the student to be counted present. Any other absences are unexcused. Excessive unexcused absences constitute a violation of the law for which the parent or guardian may be held responsible. Parents will be warned in writing for children who are failing to comply with compulsory attendance laws. Students are required to be in attendance for at least 90% of the total days school is in session in order to pass the current grade level.

In the event of illness of a student, a written excuse from the parent is required within three days. The note should be given to the attendance clerk upon the child's arrival at school following the absence.

## **Parental Duty**

It is the parent's duty to monitor the student's school attendance and require the student to attend school. School districts are required by law to notify the parents of the state compulsory attendance law prior to each school year (handbook) and after three days of absences without excuse (3 day letter). School officials are also required to request a parent conference (phone or in person) to discuss excessive absences.

## **Attendance for Credit**

To receive credit in a class, a student must attend at least 90 percent of the days the class is offered. A student who attends at least 75 percent but fewer than 90 percent of the days the class is offered may receive credit for the class if he or she completes a plan, approved by the principal, which allows the student to fulfill the instructional requirements for the class.

If a student attends less than 75 percent of the days a class is offered or has not completed the plan approved by the principal, then the student will be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit, if appropriate.

In determining whether there were extenuating circumstances for the absences, the attendance committee will use the following guidelines:

- All absences will be considered in determining whether a student has attended the required percentage of days. If makeup work is completed, absences for religious holy days, required court appearances, and documented health-care appointments will be considered days of attendance for this purpose (See policy FEB Legal).
- A transfer or migrant student begins to accumulate absences only after he or she has enrolled in the district. For a student transferring into the district after school begins, including a migrant student, only those absences after enrollment will be considered.
- In reaching a decision about a student's absences, the committee will attempt to ensure that it is in the best interest of the student.
- The committee will consider the acceptability and authenticity of documented reasons for the student's absences.
- The committee will consider whether the absences were for the reasons over which the student or the student's parent could exercise any control.
- The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
- The student or parent will be given an opportunity to present any information to the committee about the absences and to talk about ways to earn or regain credit. (See Policy FEC Local).

The student or parent may appeal the committee's decision to the board of trustees by filing a written request with the superintendent in accordance with policy FNG Legal.

The committee may impose any of the following conditions for receiving credit lost because of excessive absences:

- Completing additional assignments, as specified by the committee or teacher.
- Satisfying time-on-task requirements before and/or after school.
- Attending tutorial sessions as scheduled.
- Attending Saturday classes.
- Maintaining the attendance standards for the rest of the semester.
- Taking an examination to earn credit.

In all cases the student must also earn a passing grade in order to receive credit. (See Policy FEC Local)

### **Parent's Note after an Absence**

When a student must be absent from school, the student – upon returning to school – must bring a note, signed by the parent that describes the reason for the absence. A note signed by the student, even with the parent's permission, will not be accepted unless the student is 18 or older. This note should be provided to the school within 3 days after the student returns to school.

If the student has established a questionable pattern of absences, the attendance committee may also require a physician's or clinic's statement of illness after a single day's absence as a condition of classifying the absence as one for which there are extenuating circumstances. (See Policy FEC Local)

### **Doctor's Note after an Absence for Illness**

Upon return to school, a student absent for more than three consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the student's extended absence from school. (See Policy FEC Local)

### **Military Duty**

A student whose parent or legal guardian is an active duty member and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone, shall be granted additional excused absences at the discretion of the superintendent.

### **Early Check-Out**

Students must remain on campus once they have arrived. Students leaving school for any reason other than school-sponsored activities without checking out through the office will be subject to disciplinary action. A current driver's license must be presented to visit or check out a student.

#### Checkout Procedure:

##### From Office

The receptionist or attendance clerk will issue a student pass only when the parent/guardian arrives. At that time, the student will be sent for, and will meet the parent/guardian in the office to sign out. Every attempt should be made to schedule appointments - medical, dental, etc., - during non-school hours or at some time other than 10 a.m.

##### From Clinic

The student who receives dismissal from the clinic will meet his parent/guardian in the clinic and sign out before leaving campus.

### **Early Release**

Early dismissal time for junior high students is 1:45 p.m. Early release days will occur on:  
*December 21<sup>st</sup> & May 24<sup>th</sup> .*

### **Late Arrival**

When coming to school after class has begun @ 8:35 AM the student must go directly to the Receptionist and sign in. An admit (excused) or tardy station pass (unexcused) will be issued to the student before reporting to class. Only excused absence reasons will be considered for excused tardies to school.

### **Returning from Absence(s)**

Before the bell rings to go to first period, a student must present the attendance clerk a signed parent/guardian note stating the date and reasons for the absence. Failure to submit a signed parent/guardian excuse note may result in disciplinary action.

When a student receives three (3) or more absences, the student's parents will be sent a letter notifying them that the student has three (3) or more absences and informing them of the state compulsory attendance law.

### **Tardies**

Students are expected to be inside the classroom by the end of the tardy bell. With an admit to class, teachers or administrators may give a student permission to arrive to class after the tardy bell rings. Without such permission, however, students are considered tardy. Students will be considered tardy to 1<sup>st</sup> period in the event of car trouble, oversleeping, missing the bus, or if riding to school with others who are tardy. Tardies are taken every period, every day, including advisory.

Tardies will not be tolerated. Each student is expected to be in his/her assigned area when a tardy bell sounds. With a hall pass and/or note, teachers or administrators may give a student permission to arrive to class after the tardy bell rings. Without such permission, students are considered tardy.

- **All tardy students should report immediately to the nearest tardy station. (Outside of the main office or the 8<sup>th</sup> grade hallway near the computer lab.)**
- **Tardy students must have a pass from the tardy station to re-enter class.**

*Consequences for tardies will be issued as followed:*

A copy of discipline referral reports will be sent to the parent via the student within 24 hours.

### **Minor Offenses**

Any violation of the code of conduct that is not listed as a serious offense can be considered a minor offense. Three or more violations of the same code or rule will be considered a "persistent" discipline problem. Repeated violations of minor offenses will be treated as serious offenses. The difference depends on the severity of the offense, the circumstances involved, and the discipline record of the student involved.

The following are considered minor offenses:

### **Serious Offenses**

Serious offenses will be referred to the Assistant Principal immediately. An investigation on campus will take place following the reported violation. The School Resource Officer may assist district personnel with the investigation. Upon conclusion of the investigation, an appropriate consequence will be assigned and parents will be notified. If the offense committed by the student is also in violation of the law, a citation may be issued by the School Resource Officer. Examples of serious offenses are listed below but not limited to:

1. Lunch detention: Students will be seated in a designated area of the cafeteria until escorted to the detention room. They will sit quietly and eat their lunch for the assigned time.
2. After school detention: A classroom teacher monitors detention hall during which students are expected to complete an assignment and remain seated and quiet for the duration of the detention. Any student removed for talking or disrupting in any way will receive additional consequences. Because of extensive numbers and scheduling logistics, students not attending one hour detention will be assigned at least a two hour detention. 1 hour After School Detention is held on Tuesday and 2 hour detention is held on Thursday. Please consult front office staff for detention location.

The following are expectations for detention:

1. Failure to attend detention will result in additional disciplinary consequences.

Students assigned to ISS are expected to

follow the rules, as given by the ISS teacher. Students failing to comply will be suspended for at least the remainder of that day of his/her ISS assignment or up to the remainder of the ISS assignment. While in ISS students are not allowed to participate in extra-curricular activities or attend any "after hours" function held on campus during their assignment. A student assigned to ISS will not be allowed to eat lunch in the cafeteria. The student should bring his/her lunch or can order one from the cafeteria through the ISS teacher.

4. Alternative Learning Academy (ALA): ALA is held in an alternative setting, separate from our campus, under the supervision of a certified teacher and administrator. Students will receive assignments from his/her regular classroom teachers and will be expected to complete the work prior to returning to the regular classroom setting. Students assigned to ALA are expected to follow the rules, as given by the administrator at the time of assignment. While in ALA students are **NOT** allowed to participate in extra-curricular activities or attend any "after hours" function held on campus during their assignment.

5. Suspension: According to state law, a student may be suspended for three consecutive days. During suspension students are not allowed to participate in extra-curricular activities or attend any "after hours" function held on campus during their assignment.

**At the discretion of campus administration, students may be given the opportunity to participate in Restorative Discipline in lieu of exclusionary discipline consequences.**

### **Cafeteria Behavior**

Students are allowed to talk unless otherwise directed. There will be no running, shouting, or any other poor dining room manners exhibited in the cafeteria. Cafeteria monitors will report inappropriate behavior. When leaving the cafeteria to go to their next class, students are expected to pass through the hallways quietly so that they will not disturb the classes in session. Assigned seating for students may be provided, if necessary, to reduce misbehavior in the cafeteria. Once a student visits the lunch line and obtains their desired items, they must remain seated at their table unless given permission to dispose of trash items, use the restroom, or use the microwave. Students will be required to throw all of their trash away prior to the end of lunch period and keep microwaves clean. No student is allowed to leave the campus for lunch.

### **Gum & Food**

Chewing gum is not allowed on campus. Eating and or drinking is not permitted in class. Students may receive detention for violation of this policy.

### **Gang Related Issues**

The faculty and staff at PJH East believe that the presence of gangs and gang activities can cause substantial disruption of, and materially interferes with, school and school activities. A "gang" is defined as any group of two or more persons whose purposes include the commission of illegal acts. The staff acts to prohibit existence of gangs and gang activity as follows:

No student on or about school property or at school activity shall:

- Wear, possess, use, distribute, display or sell any clothing, jewelry, emblem, badge, symbol, sign, or other things that are evidence of membership in or affiliations with any gang.

**Sexual Harassment**

The Pearland Independent School District prohibits sexual harassment of any kind. Sexual harassment is defined as offensive and unwelcome conduct of a sexual nature directed toward a student or other person or offensive and unwelcome conduct aimed at another solely because of his or her gender.

If a student believes he or she has been sexually harassed, the student or the student's parent should report the incident to the Principal or Assistant Principal. If a student's conduct is offensive and unwelcome, the campus administration will determine if the conduct should be punished in accordance with the district's discipline management plan.

**Tangible Courtship (PDA)**

Students need to be cautioned about engaging in tangible courtship. Tangible courtship refers to any physical contact between students which includes but is not limited to holding hands, kissing, and embracing. It is nice that many students care a great deal about each other but it is considered poor taste to publicly display physical affection and school is not the place to engage in such conduct. The school policy is that no physical contact on campus may occur between students that would be classified as a show of affection.

Consequences for public displays of affections may include: teacher detention, lunch detention, after school detention, In School Suspension, Out of School Suspension, or ALA. Assignment of consequences will be based on severity and discipline history.

**Transportation**

Since bus transportation is under district and school jurisdiction, please refer to the District Management Plan for general Pearland ISD bus regulations, in addition to the following rules.

While on the bus, these rules are to be followed:

1. The driver is in charge of the bus and students are to follow the rules.
1. Students must be on time.
2. Students should speak in moderate voices and should not engage the driver in unnecessary conversation.
3. Students should not stand in the roadway while waiting for the bus.

5. Throwing things on the floor or out a window is not permitted.

10. Students may NOT get off at another bus stop.

Principals have the same authority and control over the students transported by the school buses as that which is given the principal in the control of students on the school grounds and in the classrooms. However, the Transportation Department has the first authority to discipline violations of bus rules.

### **PISD Transportation**

**\*Note:** All requests for riding a different bus must be obtained through the Transportation Department prior to the change @ 281-485-3562.

To report an incident that occurred on the bus or at a bus stop, call the Transportation Department @ 281-485-3562.

### **Dress Code**

#### **PEARLAND INDEPENDENT SCHOOL DISTRICT 2018-2019 Student Dress Code**

Revised 4-4-18

A student's appearance has much to do with the way the student feels about himself or herself. ## **V. GENERAL INFORMATION**

### **Arriving at School**

Students should arrive at school by 8:35 and be in their classroom by 8:40. Car riders, walkers, and bike riders should enter the building through the front entrance and immediately proceed to the gymnasium. Student supervision is not provided prior to 7:45 a.m.

### **Bicycles and Skateboards**

Students riding a bicycle or skateboard to school should place their bicycle or skateboard in the designated area in the front of the building. Students should secure their bicycle or skateboard as the school is not responsible for damage or theft. No motorized vehicle should be operated by a student on the junior high campus at any time. Once a student has brought his bicycle or skateboard on campus, he is not to ride it until the end of the day.

### **Teacher Complaints**

Students or parents who have a complaint should first discuss the matter with the teacher. If the outcome of that discussion is not satisfactory, a conference can be requested with the principal or assistant principal. If the parent or student is not satisfied at that level, a conference can be requested with the Superintendent of Schools or designee and, ultimately, the parents may appear before the Board of Trustees, in accordance with Board Policy.

### **Conferences with Teachers**

Parents wishing to set up a conference with a teacher may do so by contacting the school. Conferences may be held in person or on the telephone. A conference period is assigned to each teacher as part of his/her teaching assignment, and one of the purposes of scheduling this period is to give each teacher a set time for conferring with parents. Parents need to check-in at the office when arriving for a conference so they can receive a visitor sticker and be directed to the appropriate meeting place.

### **Email Guidelines**

Email may be a fast and convenient way for parents/guardians to send messages; however, teachers usually read their email messages in the morning before school, during their conference period or at the end of the day. Even when using email, teachers often times use the telephone to communicate with parents.

For these reasons, professional staff may not immediately reply to an email. In fact, the teacher may not reply via email but may determine another means of communication: note/letter, telephone call, or schedule a personal conference.

#### **When using email:**

- Please send only non-vital messages. For example, do not use email to inform a teacher that your child is not to go home on the bus. A teacher may not have time to read your message. Instead use the telephone to contact the campus to be sure your message is received and clearly understood.
- Your child's academic progress, learning expectations, or behavioral issues are best addressed through a telephone conversation or by scheduling a personal conference with your child's teacher(s). An email message on these matters is not appropriate.
- Please remember that email is not confidential. Confidential information should be conveyed by telephone or personal contact.
- Please identify yourself in the subject line of your email message and, if appropriate, the name of your child.
- For all medical or health concerns, please contact your child's school nurse by telephone.
- Please keep all contacts professional. Jokes, amusing or special stories, chain letters, or commercial solicitations are inappropriate and reduce valuable teaching time.
- Mass email to the campus staff must be approved by the campus administrator before sending the email.

*Remember that email is a quick way to send a message, but it is not necessarily the best way to get a quick response.*

### **Emergency Cards**

Emergency cards are used at each school and must be updated yearly. The information you provide assists the staff in giving your student prompt, appropriate healthcare. Current addresses and accurate home/work phone numbers are imperative.

**Please contact the school nurse with any changes occur during the school year.**

### **Fees**

Instructional materials that are part of the basic educational program are provided without charge to students. Students are expected to provide their own supplies of pencils, paper, erasers, and notebooks, and may be required to pay certain other fees or deposits. Any required fee or deposit may be waived if the student and parent are unable to pay. Some class/activity fees are listed but may not be limited to:

- Art: \$ 10 (per semester)
- Athletics: Boys Athletic Clothes - \$20
- Football Helmet Decal \$5

- Athletics: Girls Athletic Clothes - \$20
- Athletics: Participation Fee - \$40/ or Family \$60
- Physical Education: Girls/ Boys Uniform Fee - \$20
- Band Fee - \$35
- Choir Fee - \$25
- Theater Arts- \$10

### **Fire/Emergency Drills**

Each teacher is assigned an exit plan nearest his/her room. If an obstruction is set up, the class is to go to the next nearest exit. Students must **QUIETLY** exit in single file, the lights should be turned off and the door closed when all students are out of the classroom. Campuses are required to have one emergency drill a month. Classes are to exit in an orderly, systematic, planned manner and stay in the teacher's line. When the teacher halts the line, the class is to stop, turn around to face the building and **remain quiet**.

Bomb threat exits will follow the fire drill procedure. Lock down drills will also be practiced periodically. Tornado warnings will be indicated by an announcement. In a tornado drill, students move away from windowed areas, get into position on their knees, and protect their head with their arms.

### **Forgotten Lunches**

Forgotten lunches or lunch money may be taken to the office by parents. Please write the student's full name and your grade level on the lunch or envelope containing lunch money. **As a convenience, we encourage students to prepay for lunches in a lunch account using ParentOnline.** Lunch accounts are not for specific days. This means that should you forget your lunch, you can use the money in your account to purchase a cafeteria lunch for the day.

### **Involvement of Law Enforcement Officials**

There are times that police officers, CPS officials, or other law enforcement/juvenile officials come to the school and want to talk with our students. These officials have a legal right to speak with students.

A SRO (School Resource Officer) is housed at our school and will work with our students and staff. He is a Pearland Police Officer. There are SRO officers at all secondary campuses in Pearland.

### **Lockers**

Lockers remain under the jurisdiction of the school even when they are assigned to individual students. The school reserves the right to inspect all lockers. Students have full responsibility for the security of lockers and are responsible for making certain they are locked and that the combination is not available to others. Searches of lockers may be conducted at any time there is reasonable cause to do so whether or not the student is present. Students are to only use the locker assigned to them and are not to share lockers. Students should not give their locker combination to other students. Stickers, signs, posters, etc., are not allowed on lockers.

### **Parent Volunteers**

Pearland Junior High East has an active PTA and volunteer program and we welcome participation from all parents/guardians and members of the community. Opportunities for volunteers will be numerous and varied. Please call the PJH-EAST office or PTA President if you would like to volunteer. Every volunteer must complete a PISD background check which can be found and completed online at @ [www.pearlandisd.org](http://www.pearlandisd.org).

### **Parking**

Parents and community members are welcome at PJH-EAST. Parking is available as marked in front of the school. Visitors must sign in at the Main Office and receive a visitor sticker. Please **DO NOT** park in the fire lane zones.

### **Personal Property**

Students are discouraged from bringing to school any valuable personal property (such as expensive jewelry or large sums of money). Please write the student's name in clothing that might be misplaced (coats, sweaters, etc.) and clearly label any other personal property. If personal property is lost at school every effort will be made to recover the lost items; however, the school is not liable for any lost or stolen student property. When going to physical education, students should leave their valuables and purses in their lockers.

### **Physical Education Uniforms**

Health Fitness uniforms are required for physical education classes.

### **Program/Assembly Guidelines**

Parents/guardians and community members are welcome to attend all school programs, except where space is prohibitive. Every effort will be made to keep parents/guardians informed of coming events. Please check the campus bulletins/calendars and website.

The Principal and Assistant Principal will be available to answer parental or student concerns about programs.

### **Student Records**

A student's school records are confidential and are protected from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student enters the district until the student withdraws or graduates. This record moves with the student from school to school.

By law, both parents, whether married, separated or divorced, have access to the records of a student who is under 18 or a dependent for tax purposes. A parent whose rights have been legally terminated will be denied access to the records if the school is given a copy of the court order terminating these rights.

The principal is custodian of all records for currently enrolled students at the assigned school. The Superintendent is the custodian of all records for students who have withdrawn or graduated. Records may be reviewed during regular school hours upon completion of the written request form. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records.

Parents of a minor or a student who is a dependent for tax purposes, the student (if 18 or older) and school officials with legitimate educational interests are the only persons who have general access to a student's records. "School officials with legitimate educational interests" include any employees, agents, or Trustees of the District, or cooperatives of which the District is a member, or facilities with which the District contracts for the placement of handicapped students, as well as, their attorneys and consultants, who are:

1. Working with the student;
2. Considering disciplinary or academic actions, the student's case or a handicapped student's Individual Education Plan (IEP);
3. Compiling statistical data; or
4. Investigating or evaluating programs.

Certain other officials from various government agencies may have limited access to the records. The District forwards a student's records upon request and without prior consent to a school in which a student seeks or intends to enroll. Parental consent is required to release the records to anyone else. When the student reaches 18 years of age, only the student has the right to consent to release of records, unless the student remains a dependent for tax purposes.

The parent's or student's right of access to and copies of student records does not extend to all records. Materials that are not considered educational records, such as teachers personal notes on a student that are shared only with a substitute teacher and records pertaining to former students after they are no longer students in the District, do not have to be made available to the parent or student.

Students over 18 and parents of minor students may inspect the student records and request a correction if the records are inaccurate, misleading, or otherwise in violation of the student's privacy or other rights. If the District refuses the request to amend the records, the requestor has the right to a hearing. If the records are not amended as a result of the hearing, the requestor has thirty (30) school days to exercise the right to place a statement commenting on the information in the student's record. Although improperly recorded grades may be challenged, parents and students are not allowed to contest a student's grade in a course through this process. Parents or students have the right to file a complaint with the U.S. Department of Education if they believe the District is not in compliance with the law regarding student records.

Copies of student records are available at a minimal cost per page payable in advance.

Parents may be denied copies of a student's records (1) after the student reaches age 18 and is no longer a dependent for tax purposes; (2) when the student is attending an institution of post-secondary education; (3) if the parent fails to follow proper procedures and pay the copying charge; or (4) when the District is given a copy of a court order terminating the parental rights. If the student qualifies for free or reduced-price lunches and the parents are unable to view the records during regular school hours, upon written request of the parent, one copy of the record will be provided at no charge.

Certain information about district students is considered directory information and will be released to anyone who follows procedures for requesting it, unless the parent objects to the release of any or all directory information about the child. This objection must be made in writing to the Principal within ten school days after the issuance of the handbook. Directory information includes: a student's name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, awards received in school and most recent previous school attended.

### **Student Success Initiative**

Enacted by the 76<sup>th</sup> Texas Legislature in 1999 and modified by the 81<sup>st</sup> Texas Legislature in 2009, the Student Success Initiative (SSI) grade advancement requirements apply to enrolled grades 5 and 8 students who take the State of Texas Assessment of Academic Readiness (STAAR™) reading and mathematics tests at grades 5 and 8.

As specified by these requirements, a student may advance to the next grade level only by passing these tests or by unanimous decision of his or her grade placement committee that the student is likely to perform at grade level after additional instruction.

The goal of the SSI is to ensure that all students receive the instruction and support they need to be academically successful in reading and mathematics. This effort depends greatly on schools, parents, and community members working in partnership to meet individual student needs.

### **Substitute Teachers**

When a regular teacher is absent, a qualified substitute teacher will be employed. The student is to be on his best behavior. The substitute is instructed to make a report to the regular teacher of any discipline problems that arise. The substitute is also instructed to send a student who commits a serious offense or one who persists in committing minor offenses to the Assistant Principal for disciplinary action.

### **Summer School**

Students may be required to attend summer school in order to repeat courses which have been failed during the regular term. Also, students may be required to attend summer school due to lack of attending school according the 90% rule. Those who have successfully completed the eighth grade are afforded the opportunity to enroll in original credit high school courses.

Students may take a maximum of two courses during the summer term. To ensure credit for courses taken, students must receive prior approval to attend summer school from their counselor. Further information regarding summer school fees and schedules will be published prior to registration and will be available from the counselor sometime in May.

### **Supervision**

Supervisory personnel are on duty from 7:45 a.m. to 4:00 p. m. If students come to school before or stay after the listed times, there is no one to supervise them. During most extracurricular activities an administrator will be on duty.

### **STAAR Testing**

During STAAR testing or STAAR simulation testing days PJH East will not allow visitors onto campus. The STAAR Test for the 2017-2018 school year is as follows:

April 9 <sup>th</sup>	7 <sup>th</sup> Writing STAAR & 8 <sup>th</sup> Math STAAR

### **Textbooks**

**English, Reading, & Electives** - Teachers of these subject areas will have a class set of books for student use at the teacher's discretion. However, if a student's teacher uses class sets of textbooks, the student or parent may request a textbook from the PJH-East website by submitting the "Textbook Request Form" online.

The student will be required to sign for the textbook that is issued to them. At the completion of the course or school year all textbooks must be returned for campus audit. Students who are issued a damaged book should report that fact to the teacher at the time of receipt.

**Math, Science** – These textbooks are consumable paperback workbooks which will be left in the teacher's classroom. Students will tear out and take home the required pages for homework in their interactive binder. These textbooks will also be available online.

**Social Studies & Algebra I** – these textbooks will only be available as class sets. These textbooks are available online:

**ONLINE TEXTBOOKS**

Log into Skyward Family Access and go to the Message Center for a list of online textbooks and student login information

Any student failing to return a book issued by the school shall lose the right to have free textbooks assigned until the book is returned or paid for by the parent, guardian, or student. Also, the student may lose the right to attend end of year activities. Student records may be held until students pay book fines. Textbooks for a new school year may be withheld from a student who has a fine remaining from a previous year.

**Visitors**

Students are not allowed to bring friends, relatives, or siblings to school to visit during the school day as student visitors are not under our jurisdiction. Parents are welcome to visit our school during Texas Public School Week and other scheduled events during the school year. Visitation arrangements at times different from these can and will be made by calling the school. Parent/guardian visitors during lunch may only eat lunch with their child and only in a specified area of the cafeteria. Parents/guardians may bring outside food for their child provided that it is not shared with other students (school nutrition law).

**Withdrawal from School**

All students withdrawing from school must initiate the withdrawal procedure with the campus registrar in the office. Students must be accompanied by a parent/guardian to state the reason and date of withdrawal. Parents must give the registrar at least 24 hours' notice for the proper paperwork to be completed before a student can be withdrawn from school. The student's textbooks must be turned in and all other accounts must be cleared before a student's records may be sent to any other school.

**VI. STUDENT ACTIVITIES**

Students are encouraged to join and participate in many school activities. We want our students to have the opportunity to see if they have interests in a wide range of activities but sometimes they overextend themselves. Sponsors of these activities make every effort not to put students in the middle of a question over which "practice" or contest the child attends when there is a conflict. However, students need to remember that when they make a commitment to a group to fulfill a responsibility, the group and sponsor will be counting on them.

**Clubs and Organizations**

Participation in student clubs and extra-curricular organizations such as the band, choir, cheer, and athletic teams is considered a privilege. These organizations may establish rules of conduct and consequences for misbehavior that are stricter than those for students in general. If an occurrence of misbehavior also violates school rules, the consequences specified by the school shall apply in addition to any consequences specified by the organization. Physical exams are required for students participating in athletics.

Some organizations are: Athletic teams, Band, Cheerleading, Choir, National Junior Honor Society, Student Council.

Other groups may be formed during the year and will follow the same guidelines. Additional information about many of these organizations can be obtained from the club sponsors.

\*To be eligible for cheerleader tryouts, a student must **NOT** have been assigned to ISS, ALA, or suspension during the school year.

### **Dances**

Two weeks before any scheduled dance an announcement is made regarding student behaviors. Any student sent to the office with a discipline referral (including tardies) may **NOT** be able to attend the dance. Any student who has been assigned to ISS for the nine weeks prior to the dance may not be allowed to attend. Any students who owe a textbook or library fine may **NOT** be able to attend any school dances. All school dances are held on campus and **ONLY** current students may attend the dance. Students not picked up within thirty minutes after the dance has ended will be taken to the Pearland Police Department for their safety.

### **Field Trips**

Field trips may be scheduled by the school or teachers. All field trips require a permission slip signed by the parent/guardian prior to the trip! All school rules are followed during field trips.

**\*Please see medication guidelines for information on administering medication on field trips\***

### **Fundraisers**

Individual students' fund-raisers will not be allowed. Organizational fund-raisers will be handled by appropriate departments and prior approval from the Principal is required.

### **High School Football Games**

The Junior High School is working very closely with the High Schools to make our football games an orderly, pleasant event. All PJH-EAST students who attend these games and who choose not to sit with their parents will be expected to behave appropriately and sit in the area designated for Junior High students. Students may not loiter beneath the stands.

### **National Junior Honor Society**

The National Junior Honor Society is an organization that recognizes outstanding PJH-EAST students who meet the following standards as set forth by the National Honor Society. To be a nominee, a student must have all A's or no more than one B per six weeks in any class through the first four grading periods. Nominees who meet these criteria will be submitted to a teacher committee for final selection based on citizenship, leadership, service and character. Members who were inducted as seventh graders will remain in as long as academic and behavior standards are met. New members from the 7<sup>th</sup> and 8<sup>th</sup> grade are chosen in the spring of each school year based on their academic performance and behavior. The induction ceremony will be held in April or May of each school year. New inductees will be notified. Students who transfer to PJH-EAST and were members at their previous school need to see the National Junior Honor Society sponsor.

Along with regularly scheduled meetings, members of the National Honor Society are involved in the planning of various activities and events throughout the year. Activities may include completing a service project, sponsoring a school dance, and a social event.

### **Pep Rallies**

Pep Rallies are designed to bring about school spirit, unity, good sportsmanship and support for our students. Students are encouraged to participate and to follow the directions and show positive support for our school. Negative behavior, comments and yells will not be allowed and students engaging in this type of activity will be immediately removed and not allowed to attend pep rallies in the future.

### **Expectations for School Athletic Competitions**

Students may stay after school for games with prior permission from parents. Below is a list of expectations that each student must meet in order to stay after school to watch the games.

- Students must have parental permission prior to dismissal at 3:50 to stay after school.
- Students that are failing a class may not attend extra-curricular events until their grade is pulled up to a passing grade. Students that appear on a failure report will be asked to leave the game.
- Students that have ISS or OSS will not be allowed to attend games.
- Students MAY NOT re-enter the building once they walk to the game.
- **Students cannot leave a game and come back to the field, gym, etc. If a student leaves the venue, they are expected to go home at the point.**
- Restrooms are available for all spectators, including students.
- Only competing players may enter the locker room on game days. Students may not go into the locker rooms after 4:00 pm, even if they are in athletics.
- Students must display good sportsmanship by cheering on the East athletes and avoiding negative comments towards the visiting team.
- Students must clean up after themselves and not leave trash in the bleachers or on the floor.
- The same student behavior is expected at all athletic events as during the school day.
- Students will be asked to leave the game and go home if they are displaying inappropriate behavior or representing East JH negatively.
- Students that disrupt the process of the game in any way will be asked to leave.
- If a student is asked to leave a game, they may be suspended from all future games.
- Students are responsible for their personal belongings.
- Students must secure a ride home BEFORE they choose to stay for the game.
- Students must be picked up no later than 15 minutes after the end of the game. If a student remains on campus 15 minutes after the end of the game more than once, they will not be allowed to attend ANY future games for the season.
- Students should prepare to have someone pick them up by 6:00 p.m. for football games and 6:30 for volleyball/basketball games; however, students should call for their ride home no later than the beginning of the 4<sup>th</sup> quarter to make sure they are picked up on time.

## **VII. STUDENT SERVICES**

### **Bus Transportation**

Free transportation is provided for students who live more than two miles from school. Those students who live two miles or less from the school will pay monthly transportation fees as follows:

- One student in the family per year  
\$640.00
- Two students in the same family per year  
\$740.00
- Three or more students in the same family per year  
\$840.00

If you live closer than .5 miles from the school, there is no bus service provided. Alternate pricing exists for students who qualify for free or reduced lunches. Please contact transportation for more information.

Parents seeking a waiver of fees must pick up a waiver form from the Principal's office. Please call the school secretary, if you have any questions.

### **Cafeteria**

The cafeteria provides breakfast and lunch every day. Students have the choice at lunch between a plate lunch and ala carte lunches. All selections offer a variety of preparations. Families in need of financial assistance may apply for reduced or free lunches. An income formula is used to determine qualifications of a student.

Breakfast: Students \$1.45  
Students Reduced \$0.30  
Adults \$2.00

Lunch: Students \$3.00  
Students Reduced \$0.40  
Adults \$3.65

### **Guidance Services**

Counselors are assigned to each school to help teachers meet the needs of individual students and to help students choose courses. Counselors are also available to students, parents and teachers for consultation on any matters which affect a student's life. Parents are encouraged to call or set appointments with the counselor.

The student may sign-up to see the counselor before school, after school, or between classes. Students may visit with the counseling secretary to request a counselor visit.

### **Health Services**

A school nurse will be on campus daily. Students who become sick or have an accident at school will be escorted to the nurse. Students who become ill at school must check in with the nurse to be assessed before calling their parents.

**Illness at School:** Your child cannot remain at school with:

1. Fever of 100 degrees or higher
2. Undiagnosed rash
3. Vomiting
4. Diarrhea
5. Red, inflamed or discharging eyes
6. Body or Head Lice
7. Weeping sores
8. Severe Coughing

Students should remain at home for 24 hours following 101 degree or higher temperature for observation and care. All students returning to school following a disease or infection will be cleared through the school nurse before returning to school.

If the nurse sends your child home from school, he/she must bring a note stating the nature of their illness to the attendance office when they return to school. If your child is absent for more than three days, a doctor's note will be required. If your child has an injury or illness that requires special attention at school, the nurse will need a doctor's note.

### **Immunizations**

The Texas State Law requiring immunizations states that all students must have current immunizations to remain in a public school system. All students must have a second measles immunization by their 12<sup>th</sup> birthday. A Td booster is required 10 years after the last booster was obtained. This is **usually** around the age of 14. Please check your child's immunization record to be sure immunizations are up-to-date. The school nurse will mail a reminder to your home at least one month before an immunization is due. The parent must provide the nurse with documentation that your child received the required immunization. If our records are incorrect, please provide us with the correct information so that your child's record may be updated. **Your child will not be allowed to attend school without current immunizations.**

**Emergency Medical Cards:** Parents shall complete an emergency card form each year that includes a place for parental consent for school officials to obtain medical treatment for the student, as provided by law. Parents shall also be asked to supply other information that could be required in case of an emergency. Parents should update this information as often as necessary. **NO OUTSIDE MEDICAL TREATMENT CAN BE OBTAINED WITHOUT THIS FORM.**

**Screening Programs:** Screening programs are required by State Law and are conducted for growth and development, vision, hearing and scoliosis. These programs usually take place in the PE or Athletic classes at the beginning of each semester.

Your child may have had health changes during the summer recess or have changes during the school year. Please notify the school nurse about any health related problems. In return she will inform the necessary staff members and make adjustments so that your student can have a successful year.

## PEARLAND INDEPENDENT SCHOOL DISTRICT MEDICATION GUIDELINES

**When possible, all medication should be given by the parent at home.** However, some medication will be dispensed at school according to the following guidelines:

1. Written permission and specific directions for administration of medication are required. Directions must include student's name, date, and name of medication, dosage, and time to be administered.
  - A physician's authorization form must be signed by the physician or dentist and parent if a medication is to be administered for longer than ten (10) consecutive days.
  - Over-the-counter medication and other prescription medication may be administered for a period of no longer than ten (10) consecutive days, provided signed permission has been provided by the parent or guardian.
2. All medication must be provided by the parent in the **original container**.
3. All medication must be brought to the clinic **on arrival to school**.
4. The student should not carry on him/herself nor administer to him/herself any medication. Exceptions may be made for asthma inhalers at secondary schools (grades 7-12). (See #8)
5. The school nurse will supervise the storing and dispensing of medication.
6. When a student brings a new medication to school, the school nurse must give the initial dose.
7. **Field Trip Medication:** Long-term prescription medication will be given on a field trip provided the parent understands the following:
  - Long term medications will be given by another staff member during the field trip. The nurse does not attend field trips. One dose of your child's medication will be sent with the designated staff member in a properly labeled container from the pharmacy where the prescription is filled. This must be supplied to the school nurse prior to the day of the field trip. If a separate container is not supplied than the nurse will send all the medication in the bottle from the clinic.
  - The parent may elect not to have the child receive medication on a field trip.
  - The parent may attend the field trip and administer medication to their child.
8. Permission to carry asthma inhalers will be given to secondary students (grades 7-12) provided a contract between student, parent, nurse and doctor is signed. You may obtain this form from the school nurse. This privilege may be withdrawn by the nurse if the student does not demonstrate proper responsibility in regard to medication.
9. Every effort will be made to give medication as close to the specified time as possible. However, students often forget medication or there are emergencies in the clinic. The nurse will make sure that medication is administered with ½ hour of the scheduled time. This is standard for hospitals and other facilities where medications are administered.
10. **In order to insure the safe delivery to school of controlled medications, the parent should deliver these medications directly to the nurse.** However, if this is impossible; the parent must adhere to the following:

- The parent must bring the original prescription container to school initially.
  - When the medication container is empty, it will be sent home with the student.
  - A note will also be sent home for the parent to fill out and send back to the nurse with the medication.
  - The parent should count out how much medication they are sending in the bottle, fill in the medication name and amount and sign the form.
  - The student must bring medications to the nurse on arrival to school.
11. If the dosage of the student's medication is changed, a new physician's authorization form must be signed. This applies also to any new medications. These forms are available in the nurse's office.
  12. Food supplements will not be given during school hours.
  13. Medication orders may only be received from physicians licensed in **Texas**.
  14. Medications from foreign countries, including Mexico, will not be given during school hours.
  15. Only medication that has been approved by the FDA will be given during school hours.
  16. At the end of the school year, all medication must be picked up by the parent in the nurse's office. Any medication left in the nurse's office will be destroyed.

The following over-the-counter medications are used in the clinic: Analgesic balm, Orajel, Blistex, cough drops, antacid tablets, Visine drops, antifungal cream, Caladryl lotion, hydrocortisone cream, Vaseline, antibiotic ointment, and hydrogen peroxide. If you do not want these medications used on your child, please inform the school nurse in writing.

A child cannot remain in school with:

- A fever of 100° or higher
- Rash (unless diagnosed by a doctor as an allergy or non-contagious)
- Weeping sores
- Vomiting
- Diarrhea
- Red, inflamed or discharging eyes
- Severe coughing

Students should remain at home for twenty-four hours **following** a temperature of 101° or higher for observation and care. All students returning to school following a disease, infection, or injury will be cleared through the school nurse before returning to school. Thank you for helping us to maintain a healthy environment for your student.

### **Library/Media Center**

The library is available to students before school from 8:05 a.m. until 8:35 a.m. for study hall and leisure reading Monday – Friday. Overdue notices are sent periodically through classes to students who have overdue books or fines. Fines are five (5) cents per day. Magazines and reference materials may be checked out overnight. Students visit the library through their Reading class approximately once every two weeks.

### **Lost and Found**

The Lost and Found is located at the receptionist desk. Students who find items should turn them in to the receptionist. Valuables such as eye glasses, purses and jewelry should be brought to the office immediately. Eye glasses will be given to the nurse. All items will be donated to a local charity after each semester.

### **Package Delivery/Messages**

Due to the distractions and interruptions to the instructional program, the school will hold all floral arrangements and balloon bouquets, etc., in the office until school is out. The student will be sent a note at the end of the day to come by the office to get their items when they leave the building. However, flowers and balloons are not allowed on the school buses.

### **Telephones**

The school telephones are for school business and students will not be called to the telephone unless there is an emergency. Permission to use the phone will be given only for emergency situations. The office phone may be used after school by students who have emergencies.

***This handbook was compiled in order to help parents and students understand the school's operating procedures. Thank you for your support in helping us establish and maintain a safe and positive environment for children.***
