TSI Information

- The TSI (Texas Success Initiative) Assessment is computer adaptive, which means questions increase or decrease in difficulty, and the exam is untimed. The exam consists of multiple-choice reading, writing and math, with an essay. Students should take the TSI exam before course selection to ensure eligibility for the course.
- The state of Texas requires a [Pre-Assessment Activity \(PAA\)](#) to be completed prior to testing. Print and bring certificate of completion to the exam.
- At ACC, all placement tests are taken in the Testing Center located in Building A. ACC is located at 3110 Mustang Rd. Alvin, 77511. Cost is \$39.00 for the entire exam or \$15 per section if taken at ACC. Students are encouraged to take all 3 sections of the exam but are only required to take the section needed for the course of interest. Students only retest in the area(s) they did not pass. **Students need to meet with their ACC Advisor to review scores after completing the TSI.**
- A picture ID is required for testing; expired IDs are not acceptable. If you do not have a valid picture ID, please use this form: <https://collegereadiness.collegeboard.org/pdf/sat-student-id-form.pdf>
- If you require accommodations for testing, please contact the ACC Student Accessibility Services **prior** to registering for the exam at 281.756.3533 or sas@alvincollege.edu.

TSI Test Prep sessions are available at ACC. Participants will learn more about the TSI exam, valuable test-taking tips, and study skills. Register online at <http://www.alvincollege.edu> under Marketplace, then Testing.

Visit our ACC Testing Center TSI webpage to find sample questions and helpful study tools.
