

Algebra II  
Policies and Procedures 2019-2020  
*Coach TJ Weaver*  
*weavert@pearlandisd.org*

**Supplies:** The following supplies are to be turned in to the teacher.

1. A Pencil
2. Math-only binder or folder
3. Graph paper
4. Notebook paper

**Grading:** Daily (Quizzes count twice as much as daily assignments) 40%

Tests, Projects 60%

The class website will have a class calendar that will provide a digital attachment of paper assignments, days that we will be having a test or quizzes, and other helpful information.

\*Some grades may be dropped at the end of each term based on teacher discretion.

**Classroom Rules:**

- Show respect
- Clean all trash and put away materials
- Attentive and active participation in all classroom activities
- Present and on time to class with all necessary supplies
- Keep all electronics put away until given permission
- No form of cheating is allowed
- No talking during tests/quizzes
- Follow all policies and rules of Dawson High School.

**There will be consequences as a direct result of choosing to break the class rules. These include, but are not limited to, student or parent conference, telephone calls home, changing seats, detention, and being sent to the office.**

**Make-up work/Late Work:** Make-up work is the responsibility of the student. I will keep a folder with a list of assignments and a folder with any worksheets needed for the assignment. **It is the student's responsibility** to pick up missed assignments and attend tutorials to make up tests and quizzes. Late work may only be turned in one day late for a maximum grade of 85%. Afterwards, the assignment grade will remain a zero. A student must show they attempted an assignment in order to correct an assignment for a 70%.

**To receive credit on any turned in work, it must have work shown. If the correct answer is chosen but no work shown, no points will be given for that problem.**

### CELL PHONE/HEADPHONE POLICY:

Due to the ability for students to access their cell phones/headphones, I will be implementing a cell phone/headphone rule. There will be NO cell phones/headphones during the lecture or assignment time of class at all. If a cell phone/headphone is seen, heard, used, etc. there will be consequences as follows:

1. All students are given warnings during the first week of school. Afterwards, no warnings will be given.
2. After the first week of school, all phones/headphones will be kept until the end of Eagle Hour.
3. If the problem persists, the phone/headphone will be sent to the office where a fine of \$15 will be charged and picked up by a parent/guardian.

### USE OF INAPPROPRIATE LANGUAGE:

Students are expected to use appropriate language while in my classroom. There should be no reason to use a curse word, racial slur, etc. If such language is heard the consequences will be as follows:

1. First Offense: Verbal warning will be given.
2. Second Offense: Student will be assigned a school detention.
3. Third Offense: Student will have an office referral turned into the office.

### FOOD POLICY:

Snacks are allowed in my classroom with the following guidelines.

- YOU MAY NOT SHARE FOOD!
- Drinks must have a cap on them
- Snacks should not be a distraction to other students
- Snacks should be in the classroom before class starts
  - Students can NOT go to the vending machine
- No other student can bring food to you in the classroom

Examples: Food from fast food places

### TEST RETAKE POLICY

Students will be allowed to retake any test they fail with a grade BELOW a 70 on one condition. **They must complete the test review in its entirety prior to date of the test.**

- All problems must be attempted and have all work shown.
- Even if one problem is NOT attempted or lacking work, the student will not be allowed to retake the test and the test grade will stand.

**Tutorials:** Tutorials will be announced SOON!!

- If I am out at an athletic event or out sick, a different teacher will be available to provide tutorials
- Video tutorials are always accessible through my teacher website
