

navigateHCR

About Us

NavigateHCR (NHCR) is a full-service compliance and technology company that offers a variety of services to assist employers and brokers with even the most complex requirements of laws governing employee benefits. We're backed by a team of experienced HR and compliance specialists prepared to:

- Manage Accounts
- Tailor Packages with Client-Specific Design

- Build and Maintain Partnerships
- Brokerage Firms • Payroll Companies
 - Benefits Administrators

- Protect American Businesses
- Lessen the Burden of Time-Consuming Processes

Founded in 2012

We are the oldest healthcare technology and compliance company in the country headquartered in San Diego, CA with additional offices on the East Coast.

News Updates

Directly from the governing bodies of the ACA, we offer timely updates to help clients to stay ahead of frequently changing deadlines, regulations and requirements.

Our Focus

To create non-competitive partnerships and achieve client satisfaction with results guaranteed.

Education

We use a consultative approach to help brokers, employers, HR, CPAs and accountants understand how complex regulations apply to their organizations.

What Sets Us Apart

Core Values

- Working Hard
- Sense of Urgency
- Innovation
- Embracing Change
- Rising to Challenges
- Having Fun
