

Pearland Independent School District

Food Allergy Request for Documentation

Dear Parent/Guardian,

You have disclosed that your child has a severe food allergy. Pearland ISD requires additional information in order to take necessary precautions for your child's safety and to authorize treatment of your child in the event of an allergic reaction at school or at school-related activities. Attached to this letter are the following forms:

1. Rights and Responsibilities for Managing Students with Food Allergies
2. Student Allergy History Questionnaire
3. Food Allergy Action Plan
4. Special Diet Statement Form
5. Permission to Carry & Self-administer Epi-Pen

Please review the attached forms and have your physician or other licensed health care provider complete these forms and return them to the school clinic as soon as possible. Please be aware the Pearland ISD Food Service department must have a physician statement on file to make diet accommodations for school-provided meals.

Respectfully,

Christine Beck, MSN, RN Health Services Coordinator

Monica Reynolds, BSN, RN, District Lead Nurse
