

## TIMELINE

## ACTION

## RATIONALE

**August 5**

- Parents asked to make learning model decision and complete registration in Skyward Online.

- Allows campus schedules to be planned.

**August 11**

- Teachers return to campus.

- Allows staff time to learn new safety protocols, prepare for remote learning and fully support students.

**August 17**

- Last day for parents to change learning model option in Skyward

- Allows student schedule and teacher assignments to be finalized.

**August 24-27**

*(campus-based schedule for orientation; recommended for parent to participate with student)*

- Remote Learner Orientation

- Allows students/parents to meet teacher, learn how to use Seesaw/Canvas and discuss schedule/expectations and pick up any school-provided books/supplies/materials.

**August 31**

- **All students: First day of school**
  - Remote learners: follow remote learning schedule
  - On-Campus learners: phase-in schedule begins

- Provides time for staff to train small groups of students transitioning back to campus. Gives time for students and staff to practice new safety protocols.

**October 30**

- First grading period ends

- Students will remain in learning model through the first grading period.

*\*Notification for parents to change the learning model for future grading periods will be communicated at a later date.*
