

## Skyward Mobile Access App Instructions – Family/Student Access

This is a great way for Parents/Students to review student information using the Skyward Mobile Access App.

The Skyward Mobile Access App has some limitations.

In those cases, please login to Skyward from the Pearland ISD website.

The Skyward Mobile Access App is available for free download onto IOS, Android, and Windows devices from their respective App stores.

**Note:** Depending on your device’s operating system, the appearance of your screens may differ from those shown below.

Upon opening the application, you will be prompted to locate your district.

There are three (3) different methods of locating the district; by Current Location (if the device has a GPS), by Postal Code, or by District Name.

Select Pearland ISD, Pearland, TX

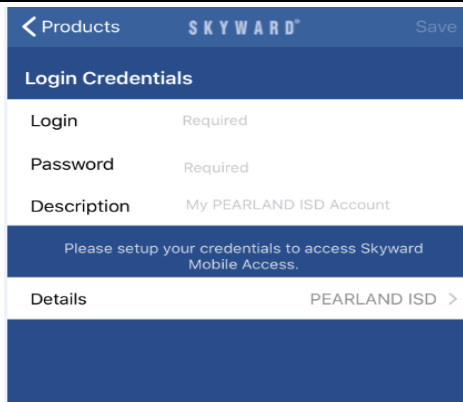

Click on the School Management tab

Once Pearland ISD has been selected, enter your Skyward Username and Password to login .

Once the information has been entered, please select the Save button icon located at the upper right of the screen.

Set a passcode to secure your Skyward Mobile Access account

The App will save your Skyward login credentials to make the login process easier, and your passcode will serve as the main method of security when opening the App. You will be required to re-enter your passcode on the next screen .

A notification window will open to setup the Passcode Settings for the Skyward App.

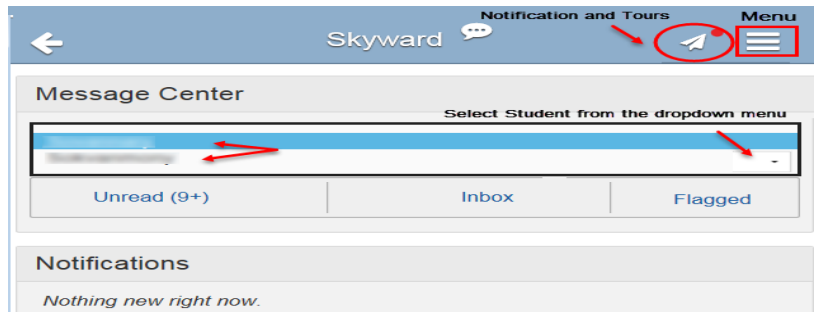

Skyward Mobile App has navigational tours available at anytime.

Click the Arrow listed at the top right of the screen to take a tour of the Skyward Mobile Access App.

Choose the Menu to review the different areas of Skyward for your student.

In the Menu area the below information will be available to view:

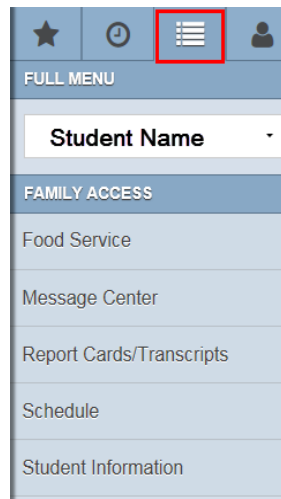

Food Service information

Messages from the Message Center

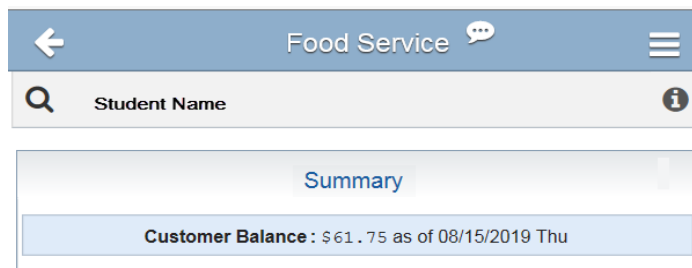

Report Cards/Transcript attachments listed from the Student Portfolio will be will be listed

Schedule will list the student's current year schedule

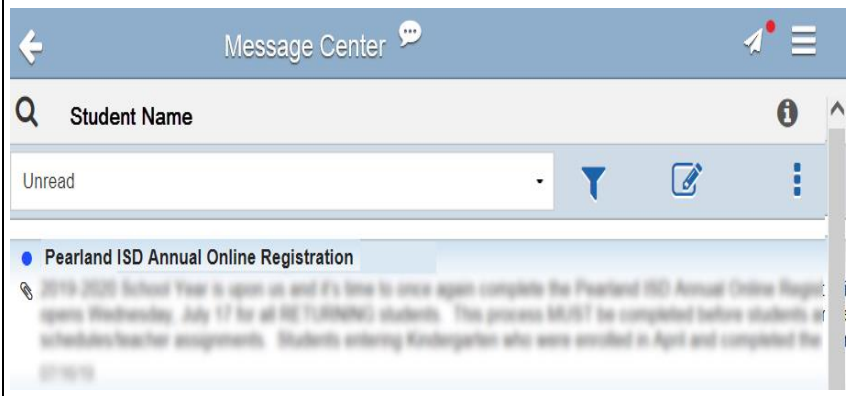

Student Information will show current Student Information, Family Information and Emergency Contact Information

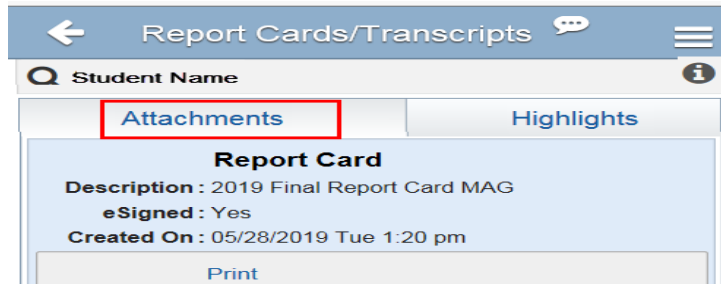

Food Service will show the student's balance summary.

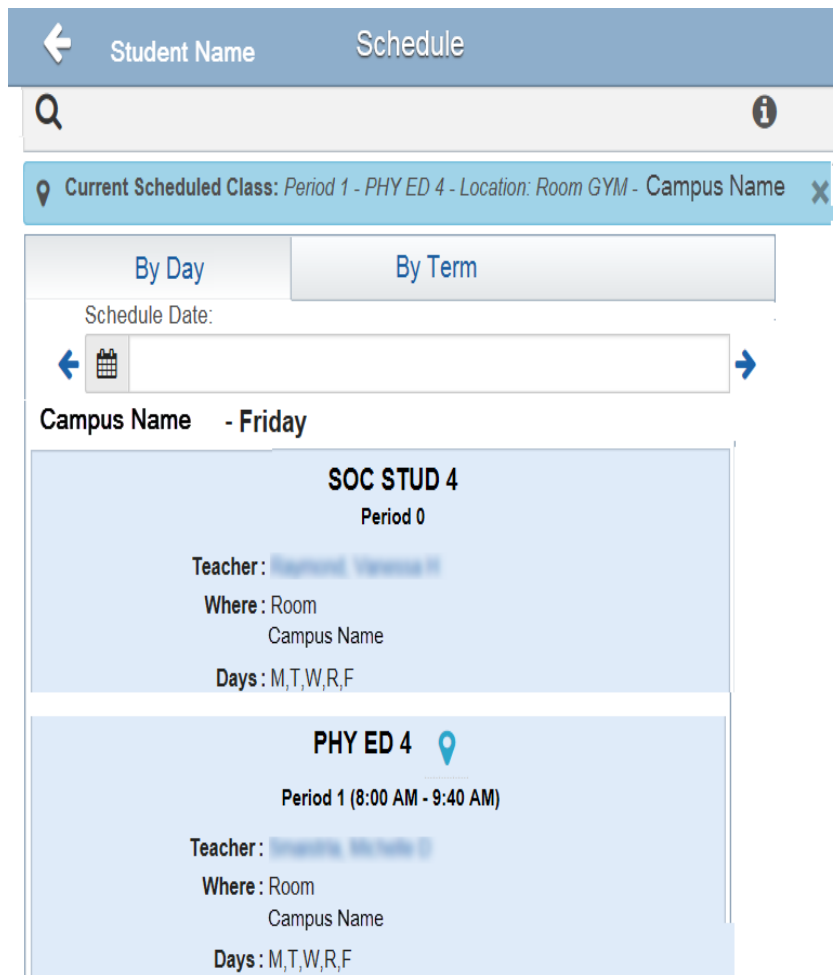

Message Center will display any messages sent via Skyward Message Center pertaining to the student listed.

Report Cards/Transcript area will show any Attachments saved in the Student Portfolio area of Skyward Family Access.

Schedule will display the student's current schedule either by day or by term including: Schedule Date, Teacher's Name, Room Number, and Campus Name. Click on the Teacher's name link to send an email directly to the teacher.

Student Information allows you to review the student information. Campus information is listed below such as the Campus Phone Number, Principal, etc. Click on the links to either call or email the appropriate individual.

The Family tab will list all family information.

Emergency Contacts tab will list all of the individuals listed as an emergency contact along with their phone number and a link to call.

The screenshot shows the 'Student Information' web application. At the top, there is a search bar labeled 'Student Name' and a navigation area with three tabs: 'Student', 'Family', and 'Emergency Contacts'. The 'Family' and 'Emergency Contacts' tabs are highlighted with red boxes. A red arrow points from the 'Student' tab to the 'Student Name' input field. The main content area displays a student's profile with a photo and fields for 'Call', 'Address', 'Gender', 'Age', 'Birthday', 'Language', 'Grad Year', 'Other ID', and 'Cell'. Below this is a 'Campus Information' section with fields for 'Phone', 'Principal', 'Grade', 'Status', 'Homeroom', 'Advisor', 'Counselor', and 'Disc Off'. On the right side, there is a 'FULL MENU' sidebar with various options, including 'Student Information', which is highlighted with a red box.
