

Minutes of Regular Meeting
School Health Advisory Council (SHAC)
Pearland Independent School District

A Regular Meeting of the Pearland Independent School District School Health Advisory Council (SHAC) was held on **Monday, November 7, 2022**, beginning at 4:00 p.m.

1. ARP ESSER III Survey Results & Updates – Donna Tate, Federal Programs/Grants Administrator

- Donna Tate provided a review of survey responses from the ARP ESSER III survey that was sent to all SHAC members after the previous meeting. There were five (5) survey responses and overall the feedback was positive on how the district was utilizing the ARP ESSER III to respond to the COVID pandemic. Ms Tate shared that the district committee will be meeting later this week to review the district’s response to COVID in terms of these protocols. Ms. Tate explained that the feedback is very important to the district, and she asked all members of SHAC to complete the survey in the next few days if they had not already done so.

2. Be SMART Program Presentation – Sarah May

- Sarah May shared the Be SMART Program with the SHAC members. The Be SMART campaign was launched to raise awareness that secure gun storage can save children’s lives. Be SMART emphasizes that it’s an adult responsibility to keep kids from accessing guns, and that every adult can play a role in keeping kids and communities safer. For more information, visit [Be Smart \(besmartforkids.org\)](https://besmartforkids.org). Ms. May also shared that she and others are available to make presentations to parent groups.

3. Pearland ISD Wraparound Services Overview & Discussion – Dr. Chenda Moore, Coordinator of Guidance Services

- Dr. Moore lead a discussion of the district’s Wraparound Services designed to support students, staff, and families. Wraparound Services support is offered at every Pearland ISD campus whereby students, staff, and their families are connected to community resources. Wraparound Services assist with access to a variety of academic and non-academic supports, including access to physical and mental health professionals, food, housing, and more. The goal is to provide a continuum of care that supports students in achieving academic, emotional, and social success. Dr. Moore, Ms. Holloway, Ms. Reynolds, and Dr. Nixon shared information about school-based supports, food, housing and other support, mental health support for staff, and district partnerships.

4. Next Meeting – Monday, February 6, 2023
