

## 2019-20 College Admissions Information Sessions/ Fly-In Programs

Preview Days are like an Open House. They are geared toward high school students “shopping around” for a college. Most have activities that include: presentations on admission, financial aid, scholarships, and overviews of each academic college; tours of the campus, residential options, and dining halls; and meeting current college students to ask questions about student life on campus. Some offer door prizes, opportunities to win scholarships, or application fee waivers. Visit their website to register!

Rice University  
9/15, 9/22, 9/25

Southwestern Baptist University Visit

Visiting Southwestern Seminary will help you see why this school is the place for you. Our tours take place

Monday – Friday 9am-1pm and 2pm-4pm

<https://www.southwestern.edu/admission/visit/>

Scarborough The College at Southwestern

10/25/19

*Preview Day* is your opportunity to see first-hand all that Scarborough College has to offer. During your stay, you will see the campus, have lunch with the professors of Scarborough College, attend a panel discussion, enjoy dinner on campus, and experience what a typical class in our college is like.

High School Aerospace Scholars NASA

Due Date to apply: 10/23/2019

High School Aerospace Scholars (HAS) is a unique NASA experience that begins with a 16-week online interactive course on NASA activities related to space exploration, Earth science, technology, mathematics and aeronautics. Students complete design challenges including 3D drawings, science quizzes, discussion posts, technology writings and monthly webinars with NASA scientists and engineers. The highest achieving students are invited to NASA for a six-day residential summer experience at NASA's Johnson Space Center in Houston, Texas, where they work with NASA experts on designing a mission to Mars. Students are nominated by their state legislator, and must be a Texas resident and U.S. citizen currently in their junior year of high school (rising seniors) with an interest and aptitude for mathematics, science, engineering or computer science.
