Welcome to Choir 2020-2021

We are thrilled and excited about your choosing to be a part our family this year whether it be for the first time or the fourth time and everything in between. We are confident that together through hard work, the making of great music, lots of laughter, and an emphasis on recognizing the importance of your role on this team that we will be able to grow as people and as musicians. We look forward to a successful and eventful year.

Encore Ensembles

Junior Varsity Treble and Tenor-Bass Choir

These ensembles are open to any Dawson High School student in any grade level. All ensemble members will receive valuable training and practice in sight-reading, building vocal tone, and mastering proper vocal technique. This ensemble will perform at every concert and will be a part of all social events. Eligible members of this choir are required to compete in UIL Concert & Sightreading Contest in April. In the future, these ensembles will remain open to any DHS high school student. Students who have not had prior experience in choir may be required to be a member of these ensembles for at least one year before auditioning for any of the varsity ensembles.

Advanced Junior Varsity Treble

Students receive placement into this ensemble by audition or recommendation only. All members will strengthen existing sight-reading skills and polish proper vocal technique, which will enable students to meet the demands of accelerated ensembles in high school. This ensemble will perform at every concert and will be a part of all social events. Eligible members of this choir are required to compete in UIL Concert & Sightreading Contest in April. In the future, these ensembles will continue to serve students who have had prior experience in choir, and placement will be determined by audition.

Varsity Mixed and Varsity Treble

These ensembles are for students who have superior musicianship and place a high dedication to choral singing in their lives. Students receive placement into this ensemble by audition only. All members will strengthen existing sight-reading skills and polish proper vocal technique, which will enable students to meet the demands of this accelerated vocal ensemble. In addition to fulfilling all community performance requests (examples include: football games, commitments, Holiday tours), these ensembles will perform at every concert and will be a part of all social events. Both will compete at UIL Concert & Sightreading Contest in April. Members of this choir are expected to maintain good grades and serve as representatives of our school and its choir program. In the future, this ensemble will continue to serve students who have had prior experience and excellent musicianship, and placement will be determined by audition only.

NOTE: As the DHS Choral program continues to develop; ensembles may change and/or additional ensembles may be added at director's discretion.

If at any point in the course of the year, you fail to abide by the rules and policies set forth by this handbook, by Dawson High School, or by the law, you will be subject to discipline at the directors' discretion which may include a lowered grade, placement into a different ensemble, or removal from the program.

Most fees charged to the student involve advance payment for a service or item. In such cases (i.e. accompanist fees, trip fees, game tickets, etc.), the choir has a deadline for receiving reimbursement from the supplier.

Because of this, the following policy will be strictly followed: There will be no refunds in any case where a student has paid for an activity or supply but is no longer able to participate. This policy applies no matter what the reason is for withdrawal and specifically includes, but is not limited to the situations of ineligibility, illness, unexpected family travel, or withdrawal from the DHS Choir.

Curriculum and Instruction

The curriculum of Dawson HS Choirs is a blend of many disciplines and follows the standards of the Texas Essential Knowledge and Skills (TEKS). Students can expect lessons on music theory, different musical forms, and singing in foreign languages. Performance is one of the best ways to demonstrate this learning. Therefore, participation in all required performances is expected and required of ALL CHOIR STUDENTS. Our calendar can be found on our choir website through the Dawson HS website under the Clubs/Activities tab and on the TEAM APP for ENCORE CHOIR. All dates are subject to change.

This year, performance requirements will look very different with so many restrictions on live performances. Since expectations are changing almost daily, students will be able to attain performance assessment whether remote or face to face utilizing the same criteria. Students learning face to face will be assessed both in person and virtually while remote learners will be assessed only virtually.

When conflicts arise between two organizations, students should try to work out the conflict well in advance by communicating with both directors/sponsors. If the student is unable to work out a solution, the parents and directors will then get involved and work out a solution. Learning to work conflicts out through proper means of communication is an essential life skill, and it is one that the DHS Choir wishes to encourage its students to develop.

Students will be notified of performance and rehearsal times and are expected to attend in order to be eligible to perform. It is the director's responsibility to provide these dates in advance and it is the students and parents responsibility to check their personal calendar for conflicts and communicate appropriately and in a timely manner. Failure to fulfill these requirements set in place by the directors may result in actions up to and including a lowered grade or placement into a different ensemble or removal from the program. Students will be held accountable for performance and rehearsal obligations. All of us are a crucial part of the team and we need everyone in order to be successful!

Extra-Curricular Activities

This includes the TMEA All State Process competition and Musical among other events throughout the year. When students commit, they understand that they will follow through with their commitment. Failure to follow through will result in possible fees, as well as possible reconsideration for choir placement. Information on each activity will be given to the students at specific times throughout the year. In addition, there will be the need to have after-school rehearsals as we approach concerts and contest. These rehearsals are an extension of the class and will, therefore, hold grade accountability.

All State Process and Solo contest costs: Students are invited to participate in these competitions, but being timely about entries is a must to avoid penalty fees.

If you miss the deadline for entering a contest, our region has a policy in place that states that the student's entry fee is doubled plus the cost of the campus fee. Our campus fee is currently \$100 per event. So, for example, if you are wanting to be entered for district auditions and it is past the deadline, your cost would be

$\$15$ (original fee) + $\$15$ (late fee) + $\$100$ (late campus fee) = $\$130$ (to be paid by the student).

Please work towards staying on top of deadlines to avoid not being able to participate or paying way too much.

Grading

There are several elements in determining a student's grade in the choir program. [This year, students who are able to attend face-to-face rehearsals outside of class, may be able to be assessed without an online submission for that specific rehearsal. Remote learners will not be penalized for not attending face-to-face rehearsals though they have the option to attend. The assessment for remote learners can be completely virtual without the need to attend face-to-face after school rehearsals.](#)

- Daily Grades = 40%
 - Daily class participation (In class face-to-face, live streaming on TEAMS, or through asynchronous learning via CANVAS)
 - Punctuality (being in your assigned seat when tardy bell rings or all work submitted in a timely fashion)
 - Having proper rehearsal materials: folder, music, pencil, and highlighters
 - Any assigned Written Work or online submissions
 - Attendance for rehearsals outside of class period after phase-in is complete (face-to-face assessment or online submission assessment)
 - All students (both remote learners and face to face learners) will provide evidence of singing all repertoire covered in an outside of class rehearsal in order to receive credit for the assignment. This may be completed by being present and singing at a rehearsal or by submitting a recording online.

- Test Grades = 60%
 - Attendance for mandatory dress rehearsals/assessment after phase-in is complete (face-to-face assessment or online submission assessment)
 - Concert attendance assessment after phase-in is complete (face-to-face assessment or online submission assessment)
 - Sight-reading exams
 - Pencil checks
 - All students (both remote learners and face to face learners) will provide evidence of singing all repertoire covered in an outside of class rehearsal in order to receive credit for the assignment. This may be completed by being present and singing at a rehearsal or by submitting a recording online.

- Alternative Assignments

Although there is no substitute for live performance for assessment (as prescribed by the TEKS), alternative assignments provide the student the opportunity to earn a grade. When a student has decreased commitment in rehearsal or is absent from a concert, an alternative assignment may be issued. The amount of work given in an alternative assignment will be equivalent to the amount of work demonstrated by students who do participate.

Total possible maximum amount of credit given for Alternative Assignments = 90%.

- Absence Policy

Two forms of excused absences from rehearsals and concerts will be accepted:

 - Personal Illness
 - Family emergency notify your director IMMEDIATELY
 - In both cases, a signed parent note stating reason will need to be turned in upon return. **Work related responsibilities as well as activities that are not school related cannot be accepted at any time**, no exceptions. If you do not notify the director within 1 week of receiving your rehearsal schedule of the excuse, it will be considered unexcused. Poor attendance and excessive absenteeism will result in removal from the Encore Choir Department. With excused absences, a student will be allowed an alternative assignment for 90% of concert grade. *Unexcused absences will result in a grade of “0”.*

Letter Jackets

- Information on letter jacket awards can be found online on the teacher websites for Mrs. Silva or Mrs. McCravy through the Dawson HS choir webpage. If a student qualifies, the student will notify the director to ensure placement on the fitting calendar.
- The student and their family are responsible for the cost of the jacket.
- Students must qualify through criteria established by the sponsor(s) of the organization in order for Balfour to be able to process their order. When the student qualifies, the organization sponsor will submit their name to administration for permission to purchase a letter jacket.

Voting for Officers

- For the 2020-2021 school year, the choir officer role will look very different. The need will be centered around our virtual communications. Therefore it will be crucial for this year's officers to be familiar and comfortable with creative maneuvering and managing of online team building.
- Students interested in running for officer will be given a packet explaining all the requirements
- Students eligible to vote must have been in Encore for that full school year AND must have participated in all the required events for the class (all required concerts, contests, rehearsals, and performances)
- Students who apply must maintain academic standing and abide by all rules and policies set forth in this handbook and Dawson High School.

Money Matters

- Turning in money-All checks and cash will be turned in inside an envelope. Due to the current safety concerns, we are not able to provide envelopes. Please have the following information written neatly and clearly on the front of each envelope:
 - First and Last Name
 - Date
 - What the money is for
 - Amount of money in the envelope

This is critical for us to track money deposits. Money needs to be exact change
or checks (made out to **DHS Choir Booster with Texas driver's license number**).

- Again, we highly recommend that you utilize our methods of online payment instead of sending physical forms of payments.

Internet & Social Media Code of Conduct

Please remember that you are an ambassador of Dawson High School and the Encore Organization. As such, you are always in the public eye. Facebook, Instagram, Livejournal, Xanga, YouTube, Twitter, personal blogs and other similar websites are open windows into your life. What you say (or post) on-line could come back to haunt you. In most cases, words and pictures are reaching way beyond the peers for whom they were intended. Ultimately, students are naively putting their reputation and futures at risk. The following guidelines must be followed if postings are made:

1. Do not post information, pictures or video on-line that would embarrass you or violate the code of conduct (or rules) of the Encore organization (and that identifies you as a member of the Encore organization). Examples include but are not limited to:
 - Foul language or inappropriate innuendo(s).
 - Inappropriate behavior (alcohol related, public intoxication, drugs, underage drinking, personal pictures wearing suggestive clothing, nudity, inappropriate gestures, fighting, etc.)
 - An act that would constitute an offense under appropriate federal, state, or local criminal statute.
2. Do not allow friends to post inappropriate information or pictures of you on their websites. It is your responsibility and right to prevent the postings and or have them removed. All it takes is one person to take a screen capture and it is there forever.
3. You may not post information on your website that ties you to the Encore organization if you have anything that is listed in the above (#1, #2) on your website.
4. Violation to the Encore organization's Internet & Social Media Code of Conduct will be grounds for removal from office (if you hold an office) and/ or membership revoked (depending on the severity of the violation). The decision will be at the discretion of the director with the knowledge of the Dawson Administration.

Please be aware that all websites and postings may be monitored by the Encore Director with the knowledge of the Dawson Administration.

Any inappropriate images, video, posts or other media will be presented to your parents/guardians.

Violation of the said rules may result in but not be limited to probation, a change of choir class, or automatic dismissal from the Encore organization. The Encore Director with the knowledge of Dawson Administration has full discretion of determining which members may participate in Encore activities and performances and has full discretion over probation and dismissals.

This year, the district will be releasing Remote Learning Expectations. Those policies apply to all students in the Encore Choir program.

Spring Trips-*Due to unpredictable safety concerns, Encore will not be sponsoring a trip for the 2020-2021 school year.

All students are eligible to travel with the DHS Choir in Spring competition trips. Every other year, the Choir will travel out of state. In the other years between, the Choir may travel in state to San Antonio or Dallas, for example. The cost of the trip is the sole responsibility of the student; however, the Choir may provide fundraising opportunities throughout the year. Students must participate in UIL Contest in order to travel on the Spring Trip if it is inside the school year and must be academically eligible.

Transportation

By law and district policy, students who participate in school sponsored trips shall be required to ride in transportation provided by the district. This may include buses, vans, and sometimes passenger cars. With prior written school district release (alternate student travel form which requires a principal's signature and approval), parents may drive students to and from extracurricular events. These forms require multiple signatures. So, if you know you will be utilizing alternate transportation, please pick up and fill out a form several business days before the event.

Voice Lessons

Please refer to the teacher websites for Mrs. Silva or Mrs. McCravy through the Dawson HS webpage to find this information. We are excited for Mrs. Elisa Thompson to be returning this year and pleased to welcome John Gallagher to our Encore Choir team.

Words of Wisdom

Success this year is a choice. We *choose* to be successful. Will you be a part of our team?

**Today's preparation determines
tomorrow's achievement.**

Success is doing ordinary things extraordinarily well.

We are what we repeatedly do. Excellence, then, is not an act, but a habit.
