

# Canvas Parent Pairing

## Adding Another Child

1. Generate a code from the next child's Canvas account.
2. Login to your parent account.
3. Click Account.
4. Click Observing.

The screenshot shows the Canvas parent dashboard for Tangila Webb. On the left is a navigation sidebar with icons for Account, Dashboard, Courses, Calendar, Inbox (with a red notification badge), Studio, and Help. The main content area is titled 'Dashboard' and features a large illustration of a library with a sign that says 'READ'. Below the illustration is a card for '2020 Distance Learning DL2020' with the text 'Observing: Brandon Webb'. At the bottom of the dashboard is a purple banner for 'Dual Enrollment SOCIOLOGY CLASS'. On the right side, the user's name 'Tangila Webb' is displayed with a 'Logout' button. A vertical menu on the right contains links for Notifications, Files, Settings, ePortfolios, **Observing** (highlighted in yellow), QR for Mobile Login, and Global Announcements.

5. Add the next code and click +Student

This screenshot shows the 'Observing' section of the Canvas parent dashboard. On the left is a vertical menu with links for Notifications, Files, Settings, ePortfolios, and **Observing** (highlighted with a vertical bar). The main content area is titled 'Observing' and includes the text 'Student Pairing Code'. Below this is a text input field containing the placeholder text 'add the code for another child'. At the bottom of the section is a blue button with a white plus sign and the text '+ Student'.
