**Test Registration Information and Reminders**

- The TSI (Texas Success Initiative) Assessment is computer adaptive, which means questions increase or decrease in difficulty, and the exam is untimed. The exam consists of multiple-choice Reading, Writing and Math. Students should take the TSI exam before course selection to ensure eligibility for the course.
- The State of Texas requires a Pre-Assessment Activity (PAA) to be completed prior to testing. Print and bring certificate of completion to the exam.
- At ACC, all placement tests are taken in the Testing Center located in Building A. ACC is located at 3110 Mustang Rd. Alvin, 77511. Cost is \$39.00 for the entire exam or \$15 per section if taken at ACC. **Students are encouraged to take all 3 sections of the exam but are only required to take the section needed for the course of interest. Meet with your ACC DC Advisor to review your scores and discuss course selection after you complete the test. A picture ID is required for testing; expired IDs are not acceptable.** If you do not have a valid picture ID, please use this form: <http://www.alvincollege.edu/dualenrollment/TestingInformation.pdf>.
- If you require accommodations for testing, please contact the ACC Office of Disability Services **prior** to registering for the exam at 281-756-5701 or [ods@alvincollege.edu](mailto:ods@alvincollege.edu).
- Students only retest in the area(s) they did not pass.
- TSI Test Prep Camps are available at ACC. Participants will have the opportunity to learn more about the TSI exam and valuable test-taking tips and study skills. Register for ACC TSI camps online at <http://www.alvincollege.edu> under Marketplace, then Testing.
